Mayor Hanwell stated he was contacted by the County, they did not have a backup as required with a Building Department. They asked if the City would be willing to join with them. Mr. Coyne stated this comes from their budget process they had in 2020 going through the budgets with concerns that COVID shutdowns that occurred throughout the United States may

have a negative impact on the income tax collections and the money generation for the City of Medina. Council and the Administration found it prudent to reduce all departmental budgets by 10%. Council Comments:

Mr. Simpson welcomed again Joe Toth. When remembering the 20th anniversary of 9-11 it brought back a lot of memories for a lot of us. Dennie had listened to the Former President George W. Bush and how he spoke of unity in our country and how it lacks now. He mentioned that the foreign terrorists are still knocking at our doors, he also compared our domestic terrorists, the ones that defaced the Capital Building in Washington DC and are still promoting hatred, stating they are in the same frame of mind as the foreign terrorists. Dennie wants to remind people that we can unite, there doesn't have to be a tragedy like 9-11 to bring us together. It doesn't matter what your opinion is about whatever subject, just be kind to one another.

Mrs. Hazeltine stated last month was overdose awareness month. This month is two-fold and very meaningful to her and that is recovery month and suicide prevention and awareness month and as a person in recovery as well as a suicide survivor, she wants people to know that there are resources out there. The best and most convenient place to find those resources would be by visiting familyfirstmedina.org, there will be links to the ADAHM Board, mental health links and resources for people that are in recovery from substance abuse. Please don't hesitate to reach out. Jessica is a Certified Peer Supporter through the State of Ohio.

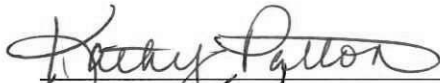

Mr. Rose welcomed Joe Toth as well. Paul extended to the Breakfast Kiwanis the compliments he received from many members of the community on the fine ceremony honoring 9-11. The "Stop Government Waste Committee" has now brought the city up to \$64,000.00 in unnecessary legal fees.

Mr. Lamb – Grateful to SPCA, Mission Impossible, Medina Meow Fix, Councilwoman Hazeltine, and the Mayor and Members of Council for your support. Former Police Officer Ron Stoller is going to be honored for his service to the Arts at the Medina County Arts Council Harvest for the Arts on September 23rd at Buffalo Creek.
