City of Medina  
Attn. Mr. Greg Huber, Law Director  
132 N. Elmwood Ave.  
Medina, OH 44256

Dear Mr. Huber:

This letter is in response to your January 31, 2025 memo regarding proposed improvements at Lake Medina. In previous correspondence, I forgot to include the planned addition of security cameras. Mayor Hanwell asked me to update our project list in advance of the February 24 council meeting.

Below is a complete list of improvements Medina County Park District is intending to complete at Lake Medina within the next 12 to 18 months:

- Near the SR 18 Entrance: placement of two security cameras in the location highlighted on the enclosed document.
- Near the Granger Road Entrance: the construction of stone-block stairs leading up to the top of the dam, where visitors have already worn a path; aggregate repairs to the upper (stone) trail; new rip-rap to maintain the integrity of the dam; installation of an accessible kayak launch and a fishing platform; and construction of an open-air picnic shelter at the northern-most end of the upper trail.
- On the Pump House: placement of a semi-permanent mural on the upper one-third of the north-facing side.

I plan on attending the council meeting to answer questions, if any.

Sincerely,

Nathan D. Eppink, Director
