ORDINANCE NO. 150-23

AN ORDINANCE AUTHORIZING THE EXPENDITURE TO CENTRAL SQUARE TECHNOLOGIES FOR THE SUSBSCRIPTION AND ANNUAL MAINTENANCE AGREEMENT FOR THE COMPUTER AIDED DISPATCH & REPORT MANAGEMENT SYSTEM FOR THE POLICE DEPARTMENT, AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF MEDINA, OHIO:

- SEC. 1: That the expenditure to Central Square Technologies for the subscription and annual maintenance Agreement for the Police Department Computer Aided Dispatch & Report Management System, is hereby authorized.
- SEC. 2: That the funds to cover this expenditure in the amount of \$36,860.04 are available in Account No. 106-0102-52215.
- SEC. 3: That in accordance with Ohio Revised Code §5705.41(D), at the time that the contract or order was made and at the time of execution of the Finance Director's certificate, sufficient funds were available or in the process of collection, to the credit of a proper fund, properly appropriated and free from any previous encumbrance.
- SEC. 4: That it is found and determined that all formal actions of this Council concerning and relating to the passage of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with the law.
- SEC. 5: That this Ordinance shall be considered an emergency measure necessary for the immediate preservation of the public peace, health and safety, and for the further reason the invoice is currently due to be paid; wherefore, this Ordinance shall be in full force and effect immediately upon its passage and signature by the Mayor.

Mr. Anthony Capretta, County Auditor Medina County Budget Commission 144 N. Broadway St., Room 301 Medina, OH 44256

Entry Number: 23-07-0188

Re: Approval of Extension for the Medina County Budget Commission to Complete its Work

The Tax Commissioner, upon consideration of the application filed by the County Auditor, as secretary of the county budget commission, on July 14, 2023, for an extension of time beyond the statutory date of September first to complete its work, as provided by Revised Code section 5705.27, finds that the extension of time is necessary and approves the October first, 2023, as the date within which such work shall be completed, pursuant to Ohio Revised Code section 5705.341 (last para.).

The Tax Commissioner also extends the October first deadline contained in Ohio Revised Code section 5705.34 for the political subdivision to authorize the necessary tax levies to the auditor by the same number of days that the extension to certify rates is granted by this entry. Accordingly, the political subdivision must authorize the necessary tax levies to the auditor by the second day of November, 2023. The County Auditor must notify each political subdivision affected by this entry.

It is ordered that a copy of this entry be certified to the County Auditor, as secretary of the County Budget Commission.

I CERTIFY THAT THIS IS A TRUE AND ACCURATE COPY OF THE ENTRY RECORDED IN THE TAX COMMISSIONER'S JOURNAL

Resolution Accepting Amounts & Rates

Attached please find your copies of the:

- 1. Extension Letter from the Ohio Department of Taxation
- 2. Resolution Accepting Amounts and Rates

The Extension Letter is for your audit next year. It indicates the reason for extending the dates for the Resolution Accepting Rates.

This Resolution must be approved and returned to our office by November 1, 2023.

If you have an additional levy, a replacement levy or a renewal levy with an increase on the ballot for November and it passes, you will be sent another Resolution Accepting Amounts and Rates after the election. The updated resolution must be approved and returned to our office by November 30, 2023.

If you have any questions please call me at 330-725-9766 or email at kiohnson@medinaco.org. Thank you!

SUBJECT: Amend Ordinance 945.02 Park Restrictions (g)

SUMMARY AND BACKGROUND:

The Parks Department respectfully request Council to amend Ordinance 945.02 Park Restrictions (g). The current wording only allows dogs off leash at Memorial Dog Park. Since we intend to close the Memorial Dog Park at the end of 2023 and open the dog park at Ray Mellert Park, we would like to amend the Ordinance to reflect this change.

(g) No person shall have a dog in a city park unless the dog is restrained by a leash that is not more than eight (8) feet in length and held by the person having the dog in the park or the dog is inside the fence of the Memorial Dog Park Ray Mellert Dog Park.

Memorandum of Understanding with Medina County regarding the Granger Road Water Line

This request asks for Council's approval of the attached Memorandum of Understanding (MOU) between the City and Medina County regarding the Granger Road Water Line. The MOU outlines the scope of the improvements necessary to transfer the City's water customers on Granger Road to the Medina County water system.

These improvements and this transfer were previously scheduled to be completed in 2024. Due to the recent break of the City's water line under the Rocky River, this work must be completed as soon as possible; the City's customers on Granger Road are currently being serviced through a temporary water connection.

In addition to having additional water customers, when the transfer is completed, Medina County's water system will benefit since the Granger Road water line will provide a loop in their water system when this work is completed. Because of this, Medina County has agreed to provide 50% of the funding to complete the interconnections.

MEMORANDUM OF UNDERSTANDING

TRANSFER of WATER SERVICE PROVIDER for PARCELS LOCATED in the TOWNSHIP OF MEDINA on GRANGER ROAD (Addresses from #3733 though #4056) and Weymouth Road (Addresses #4463 and #4483)

Terms to be contained in a Memorandum of Understanding ("MOU') between the MEDINA COUNTY COMMISSIONERS (County), and the CITY OF MEDINA (CITY).

Section I: Project Description

The CITY is currently the water service provider for 28 residential properties within the roads noted above and as shown in Exhibit "A" that are within Medina Township outside the CITY limits. The CITY'S existing 8" and 10" water main services these areas along Granger and Weymouth Road.

Due to an emergency break of the City's 8" water main running under the West Branch of the Rocky River, the City is no longer able to serve these customers. The City and the County installed a temporary connection between adjacent City and County fire hydrants near 3733 Granger Road to supply the City's customers in the short term.

The COUNTY currently owns existing 16" water mains that run near the CITY'S 8" and 10" water mains at the intersection of Granger Road and Weymouth Road (SR 3) and near 3733 Granger Road that can provide permanent water service to these properties.

The CITY requests that the COUNTY become the water service provider for the residential properties by connecting the City's 10 inch water line to the County's 16 inch water line at both the intersection of Granger Road and Weymouth Road (SR 3) and near 3733 Granger Road as indicated on Exhibit "A". With the transfer of service the COUNTY will assume ownership and maintenance responsibilities of all existing CITY water mains that service these properties.

Construction of the two (2) interconnects from the CITY'S 10 inch water line to the COUNTY'S 16 inch water line will begin as soon as possible.

Section II - Consent Statement

Being in the public interest, the COUNTY gives consent to the CITY to complete the transfer of water service(s) from the CITY'S water supply system to the COUNTY'S water supply system.

Section III - Cooperation Statement

The CITY and the COUNTY shall cooperate as follows:

- 1. The CITY and COUNTY shall each bear fifty percent (50%) of the total costs for engineering, materials, labor, equipment, construction, inspection, surveying and project administration for this project.
- 2. The CITY has engaged Rolling, Hocevar, Inc. to complete the design and prepare the construction plans for the two interconnections from the CITY'S 10 inch water main to the COUNTY's 16 inch water main on Granger Road; reference Exhibit "B". The COUNTY will review this improvement plan. Once approved by the COUNTY, the COUNTY will submit the plans to the Ohio Environmental Protection Agency (OEPA) for approval.
- 3. Once the interconnect plans have been approved by the Ohio EPA, the CITY shall solicit proposals from contractors based on the agreed upon scope of work for the two (2) water transfer locations. The CITY shall provide the proposals to the COUNTY for review and the CITY and COUNTY shall both agree upon the proposal to be selected.
- 4. The CITY shall enter into a contract with the selected contractor for the completion of the water service transfer work. All payments per the contact shall be made by the CITY.
- 5. Upon completion of the water service transfers, the COUNTY shall furnish and install new water meters to each of the water meter service locations. The CITY and the COUNTY shall each bear 50% of the costs for the purchase of the new water meters.
- 6. A preliminary cost estimate to fully complete the two (2) interconnections and complete the water service transfer of all properties from the CITY's water supply system to the COUNTY'S is as follows:
 - Interconnect from the CITY's 10 inch water line to the COUNTY'S 16 water line at the intersection of Granger Road and Weymouth Road: \$40,000.
 - Interconnect from the CITY's 10 inch water line to the COUNTY'S 16 water line at 3733 Granger Road \$80,000.
 - Water meter change out equipment costs: \$10,000.
 - Total preliminary cost estimate = \$130,000
- 7. The COUNTY agrees to provide all costs and invoices to the CITY for required equipment and materials associated with the water meter change outs.
- 8. The actual final total cost for the project shall be calculated by the CITY upon completion of all project components as listed above and provided to the COUNTY for review. The COUNTY and CITY shall agree upon the final total project cost prior to the CITY invoicing the COUNTY. The CITY shall provide the COUNTY with an invoice for their share (50%) of the total cost for the project.
- 9. The COUNTY shall submit payment for their total share (50%) to the CITY within sixty (60) days after receiving the invoice from the CITY.
- 10. The CITY hereby grants permission to the 2COUNTY and their respective authorized agents

and employees to enter upon the Property (parcel 026-06D-16-011) to inspect, maintain, and repair said water main until said time the water main is relocated within the Granger Road right-of-way.

Section IV - Future Work

- 1. There are five (5) existing services on Granger Road that are currently tapped into the CITY's old 8 inch water line (Addresses #4014, #4024, #4034, #4044 and #4056). These five (5) services are a part of the 28 services that will be served immediately upon completion of the interconnection project referenced herein. The City will transfer these services from the 8 inch water line on Granger to the 10 inch water line on Granger within three (3) months of this agreement. The City will pay for the costs to complete this work.
- 2. The CITY will transfer two existing services on Weymouth Road (Addresses #4440 and #4454) to the COUNTY'S 16 inch water line on Weymouth Road within six (6) months of the date of this MOU. The CITY will pay for the cost to transfer these services. The COUNTY will become the water service provider for these two properties.
- 3. There are two (2) existing services on Granger Road that are currently tapped into the City's 6 inch water line located on the water plant property (Addresses #3744/#3770 and #3746). The City will transfer these services from the 6 inch water line to the new 12 inch water line within three (3) months of this agreement. The City will pay for the costs to complete this work.
- 4. The CITY will transfer one (1) existing service located at 3821 Granger Road from the CITY's 20 inch water main to the COUNTY'S 10 inch water line on Granger Road within six (6) months of the date of this MOU. The CITY will pay for the cost to transfer this service. The COUNTY will become the water service provider for this property.
- 5. Both parties acknowledge that the existing 10 inch water line that crosses the Rocky River just west of the CITY'S Water Plant at 3733 Granger Road must be replaced within nine (9) months of this agreement. Both parties agree to share 50% of the cost of the engineering, design, plan preparation, right of way acquisition and construction to replace approximately 200 linear feet of this water line where it crosses the Rocky River at a time to be determined by the COUNTY. The total estimated cost for this work is \$200,000.
- 6. There are ten (10) existing CITY customers served from a 2 inch private line running east from the CITY'S old water plant at 3733 Granger Road (Exhibit "C"). These ten (10) residences will continue to be CITY customers after the interconnection work is complete. Water will be provided through the CITY'S service connection at 3733 Granger. Both parties acknowledge their intention that these CITY customers will become COUNTY customers at some point in the future after a mutually agreeable resolution pertaining to ownership and maintenance responsibilities of the 2 inch private line has been reached by all parties.

Section V – Ownership and Maintenance

The COUNTY shall take ownership and maintenance responsibilities for all current CITY owned water mains and appurtenances described within this MOU and the project limits described on the attached Exhibit "B" that shall be remain in service and be used for water supply by the COUNTY.

Subject: New ordinance to prohibit camping upon public property.

Summary and Background

The Medina Police Department requests that the council consider adopting/passing a new ordinance prohibiting camping upon public property:

5XX.XX PROHIBITING CAMPING UPON PUBLIC PROPERTY

- (A) Except as may be permitted within municipal parks by the Service Director, or his or her designee, or as otherwise provided in division (C) of this section, it is unlawful to camp upon any public property owned by the city, including, without limitation, streets, sidewalks, easements, parks, parking lots, public grounds or right-of-ways.
- (B) As used in this section, TO CAMP means setting up, remaining in, or at property for the purpose of: sleeping, making preparation to sleep, storing personal property, and/or performing cooking activities for habitation purposes.
- (C) This section shall not apply to persons who:
 - (1) Have no alternative lodging available to them, and are otherwise homeless, and
 - (2) Have insufficient resources to secure alternative lodging, and
 - (3) Are unable to secure free services such as shelters within a reasonable proximity to the city, or hotel/motel vouchers which are or have been made available.
- (D) Whoever violates this section is guilty of "illegal public camping." Except as otherwise provided, "illegal public camping" is a misdemeanor of the fourth degree. If the offender previously has been convicted of, or pleaded guilty to "illegal public camping" then the violation is a misdemeanor of the first degree.

SUBJECT: RFP for Non-Emergent Transport from Nursing Homes

SUMMARY AND BACKGROUND:

The City of Medina, Medina Township, Montville Township, and Cleveland Clinic Medina are seeking to enlist the services of a non-emergent transport company to transport nursing care residents to and from the nursing care facility to Cleveland Clinic Medina Hospital. Currently, Cleveland Clinic Medina LST is transporting many of these residents for non-emergent care at the hospital, which takes valuable time away from true 911 emergencies. This results in higher cost to the resident, facility, or insurer, due to lack of other transport options for a higher level of patient acuity.

Council is asked to approve the Request For Proposals with the emergency clause as it is hoped a firm can be selected and begin providing these services in early 2024.

Non-Emergent Patient Transport from Nursing Homes

Summary and Background

The City of Medina, in partnership with Medina Township, Montville Township, and the Cleveland Clinic of Medina currently provide Emergency Medical Services to residents through the Cleveland Clinic Medina Life Support Team. These entities share the total operating cost for LST based on utilization of services. The charges per locale are based on the end-user service delivered after collections, which yields a low-cost, high quality operating model. Within the three locales, there are twelve (12) nursing care providers that are also served by LST.

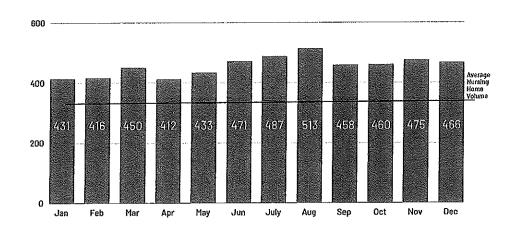

This current arrangement with nursing care facilities is negatively impacting the use of LST services for non-emergent patient transport from nursing care facilities to Cleveland Clinic Medina Hospital. Although the care at the hospital is needed, the services of a full 911 squad is unwarranted in such cases. An LST squad responder is a much higher level of medical specialty, advanced life-support, and cost than is required in cases of medically stable nursing home transports. Additionally, these transports take the LST squad out of service for a true 911 emergency. This results in higher cost to the resident, facility, or insurer, due to lack of other transport options for a higher level of patient acuity.

Project Purpose

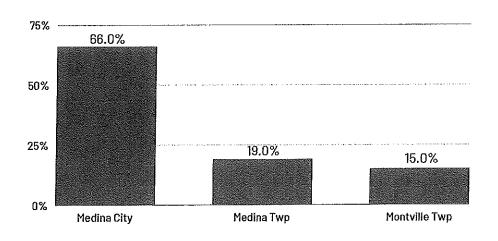

The City of Medina, Medina Township and Montville Township are looking to expand services with the addition of a non-emergency ambulance transport provider to serve the nursing homes that currently use the 911 LST service for non-critical patient transports. This dedicated transport group would serve bedded, wheelchair, or other non-critical transports via ambulance. Enclosed you will find a general report showing the volumes of the nursing home runs, as well as general runs by LST.

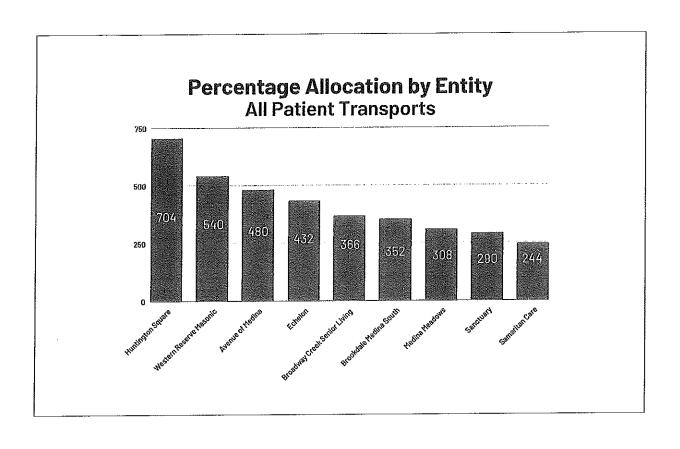

See pages 2 and 3 for graphs providing additional documentation on LST Runs and Nursing Home Transports.

Proposal

Interested parties should submit proposals to the attention of Mayor Denise Hanwell, City of Medina, 132 North Elmwood Avenue, Medina, OH 44256 Board by Thursday, December 15, 2023, at 4:00 pm.

The proposal should include the following:

- 1. Completion of the attached Proposal Cover Sheet.
- 2. Provide a description of the company's ability to provide the required services, including the number of ambulance units available, years in operation, insurance coverage, average response time to a non-emergent call, the number of employees by job title and their certifications.
- 3. Provide an overview of the company's interest in and reasons for submitting a proposal.
- 4. Outline what the company's level of expectation as defined by the total number of runs in a range format that your company would need to obtain that would be financially beneficial.
- 5. Provide any additional information that you deem appropriate, such as contract requirements, initial agreement terms, and exclusivity clause requirements.
- 6. You may attach letters of recommendation from current clients.

DATE:

October 3, 2023

SUBJECT: Repeal Ordinance No. 123-23

SUMMARY AND BACKGROUND:

The Parks Department respectfully requests Council to repeal Ordinance No. 123-23 authorizing the Mayor to advertise for competitive bids and to award a contract to the successful bidder for job #1154, Reagan Skatepark Rehabilitation.

At the Finance Committee meeting on September 25, 2023 the parks department was authorized to enter into contract with a vendor to perform concrete grinding in lieu of replacing concrete at the Reagan Skatepark. On October 2, 2023 we performed a test sample of this process and determined that it was a feasible solution for the project. This alternative process will result in a substantial cost savings for the City.

ORDINANCE NO. 123-23

AN ORDINANCE AUTHORIZING THE MAYOR TO ADVERTISE FOR COMPETITIVE BIDS AND TO AWARD A CONTRACT TO THE SUCCESSFUL BIDDER FOR JOB #1154, REAGAN PARK SKATEPARK REHABILITATION, AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF MEDINA, OHIO:

- SEC. 1: That the Mayor is hereby authorized and directed to advertise for competitive bids and to award a contract to the successful bidder for Job #1154, Reagan Park Skatepark Rehabilitation Project, in accordance with plans and specifications on file in the office of the Mayor.
- SEC. 2: That in accordance with Ohio Revised Code §5705.41(D), at the time that the contract or order was made and at the time of execution of the Finance Director's certificate, sufficient funds were available or in the process of collection, to the credit of a proper fund, properly appropriated and free from any previous encumbrance.
- SEC. 3: That the estimated cost of the project, in the amount of \$120,000.00, is available as follows \$36,134.55 in Account No. 171-0301-54411 (ARPA Fund) and \$83,865.45 in Account No. 104-0301-54411.
- SEC. 4: That it is found and determined that all formal actions of this Council concerning and relating to the passage of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with the law.
- SEC. 5: That this Ordinance shall be considered an emergency measure necessary for the immediate preservation of the public peace, health and safety, and for the further reason this project needs to be completed in 2023; wherefore, this Ordinance shall be in full force and effect immediately upon its passage and signature by the Mayor.
