PETITION AND SUPPLEMENTAL PLAN

**PETITION FOR SPECIAL ASSESSMENTS FOR
SPECIAL ENERGY IMPROVEMENT PROJECTS**

A PETITION TO THE CITY OF MEDINA, OHIO SEEKING THE IMPOSITION OF SPECIAL ASSESSMENTS AGAINST REAL PROPERTY OWNED BY THE PETITIONER TO PAY THE COSTS OF VARIOUS SPECIAL ENERGY IMPROVEMENT PROJECTS, THE FINANCING OF WHICH WILL SPECIALLY BENEFIT SUCH REAL PROPERTY, INCLUDING A WAIVER OF ALL RIGHTS TO NOTICES, HEARINGS AND APPEALS RESPECTING THE REQUESTED SPECIAL ASSESSMENTS

To: The Mayor and City Council of the City of Medina, Ohio

As of the date of this Petition, Legacy Hotel of Medina, LLC, an Ohio limited liability company (the "Petitioner") is the owner of 100% of the fee simple interest in the real property described on **Exhibit A** attached to this Petition (the "Property"). Petitioner agrees to forever indemnify and hold harmless the City of Medina and the City of Medina Energy Special Improvement District, Inc. dba Medina County Energy Improvement District from all claims, liability, cost, and expense associated in any way with this Petition.

The Board of Directors of the City of Medina Energy Special Improvement District, Inc., an Ohio nonprofit corporation (the "Corporation") dba Medina County Energy County Energy Improvement District (the "District"), initially created within the boundaries of the City of Medina, Ohio, has approved a project plan (the "Project Plan") for the purpose of developing and implementing special energy improvement projects, as defined in Ohio Revised Code Section 1710.01(I). The Project Plan is attached to this Petition as **Exhibit C**. The Corporation's Articles of Incorporation, as amended are attached to this Petition as **Exhibit D**.

Pursuant to the Project Plan, the Corporation has caused special energy improvement projects to be provided from time to time. In accordance with Ohio Revised Code Chapter 1710 and the Project Plan, the Project Plan may be amended from time to time by supplemental plans (the "Supplemental Plans") (the Project Plan and every Supplemental Plan together constituting the "Plan") to provide for additional special energy improvement projects, and the District may be enlarged from time to time to include additional property so long as at least one special energy improvement project is designated for each parcel of real property within the additional territory added to the District.

The Board of Directors of the Corporation has received or will receive the Supplemental Plan attached to this Petition as **Exhibit B**, including the description of the special energy improvement projects proposed to be constructed or installed on the Property (the "Authorized Improvements"), and related materials in support of the expansion of the District to include the Property.

As required by Ohio Revised Code Section 1710.02, the Petitioner, as the owner of the Property, being 100% of the area proposed to be added to the District and 100% of the area

proposed to be assessed for the Authorized Improvements, hereby (a) petitions the City Council (the "Council") of the City of Medina, Ohio (the "City") to (i) approve the addition of the Property to the District and (ii) approve an amendment and supplement to the Plan by the Supplemental Plan to include the Authorized Improvements and (b) requests that (i) the Authorized Improvements be undertaken by the District, and (ii) the total cost of those Authorized Improvements be assessed on the Property in proportion to the special benefits that will result from the financing of the Authorized Improvements.

In connection with this Petition and in furtherance of its purposes, the Petitioner acknowledges that it has reviewed or caused to be reviewed (i) the Plan and the Supplemental Plan, (ii) the plans, specifications and profiles for the Authorized Improvements, (iii) the estimate of cost for the Authorized Improvements included in the Supplemental Plan and (iv) the schedule of estimated special assessments to be levied for the Authorized Improvements also included in the Supplemental Plan. The Petitioner acknowledges that the estimated special assessment is in proportion to the benefits that may result from the financing of the Authorized Improvements.

Accordingly, the Petitioner hereby petitions for the approval of the Authorized Improvements identified in this Petition and the Supplemental Plan attached to this Petition as **Exhibit B**, as authorized under Ohio Revised Code Chapter 1710, and for the imposition of the special assessments identified in this Petition and authorized under Ohio Revised Code Chapters 727 and 1710 (the "Special Assessments") to pay the costs of the Authorized Improvements, in the amount set forth on **Exhibit B**. The Petitioner hereby certifies, represents, and warrants to the Corporation and the City that the actual costs of the Authorized Improvements have been ascertained. The Petitioner further agrees that it will be solely responsible for any costs of the Authorized Improvements in excess of the amount set forth on **Exhibit B**.

In the event that at any time following the date of this Petition the Property is combined or subdivided into permanent parcels in the records of the County Auditor of Medina County, Ohio, then the Petitioner hereby requests that the Special Assessments be allocated among the resulting parcels in proportion to the acreage of the existing parcels that is contained in each resulting parcel that contains a proportion of an existing parcel. The Petitioner hereby certifies, represents, and warrants to the District and the City that the portion of the Special Assessments allocated to each resulting parcel as described above are in proportion to, and do not exceed, the special benefits to be conferred on the resulting parcel or resulting parcels by the Authorized Improvements identified in this Petition.

In consideration of the City's acceptance of this Petition and the imposition of the requested Special Assessments, the Petitioner consents and agrees that the Property as identified in **Exhibit A** shall be assessed for all of the costs of the Authorized Improvements, including any and all architectural, engineering, legal, insurance, consulting, energy auditing, planning, acquisition, installation, construction, surveying, testing and inspection costs; the amount of any damages resulting from the Authorized Improvements and the interest on such damages; the costs incurred in connection with the preparation, levy and collection of the Special Assessments; the cost of purchasing and otherwise acquiring any real estate or interests in real estate; expenses of legal services; costs of labor and material; trustee fees and other financing costs incurred in connection with the issuance, sale, and servicing of securities, nonprofit corporate obligations, or other obligations

issued or incurred to provide a loan or to secure an advance of funds to the owner of the Property or otherwise to pay costs of the Authorized Improvements in anticipation of the receipt of the Special Assessments, capitalized interest on, and financing reserve funds for, such securities, nonprofit corporate obligations, or other obligations so issued, including any credit enhancement fees, trustee fees, program administration fees, financing servicing fees, and District administrative fees and expenses; an amount to reflect interest on unpaid Special Assessments which shall be treated as part of the cost of the Authorized Improvements for which the Special Assessments are made at an interest rate which shall be determined by the Corporation to be substantially equivalent to the fair market rate that would have been borne by notes or bonds if notes or bonds had been issued by the District or another issuer of notes or bonds to pay the costs of the Authorized Improvements; together with all other necessary expenditures.

In consideration of the Authorized Improvements, the Petitioner, for itself and its grantees and other successors with respect to the Property, agree to pay promptly all Special Assessments as they become due, and agree that the determination by Council of the Special Assessments in accordance with the terms hereof will be final, conclusive and binding upon the Petitioner and the Property. In further consideration of the Authorized Improvements, the Petitioner covenants and agrees to disclose, upon the transfer of the Property or any portion of the Property to be subject to the Special Assessments for the actual costs of the Authorized Improvements set forth in **Exhibit B** in the deed to the transferee or in a separate instrument recorded with respect to the Property, the existence of any outstanding Special Assessment for the Authorized Improvements and to require that transferee covenant to disclose that information in any subsequent deed or in a separate instrument recorded with respect to the Property at the time of the subsequent transfer so long as the Special Assessments remain unpaid. As a condition to each subsequent transfer while the Special Assessments remain unpaid, the Petitioner further covenants and agrees to provide expressly in the deed to any transferee or in a separate instrument recorded with respect to the Property at the time of the subsequent transfer (a) for the acquisition by the transferee of the Property subject to any outstanding Special Assessment and the transferee's assumption of responsibility for payment thereof and for the waiver by the transferee of any rights that the Petitioner has waived pursuant to this Petition, and (b) the requirement that each transferee from time to time of the Property covenant to include in the deed to any subsequent transferee or in a separate instrument recorded with respect to the Property at the time of the subsequent transfer the conditions described in clause (a) so long as the Special Assessments remain unpaid.

The Petitioner further acknowledges and confirms that the Special Assessments set forth in this Petition and in the Supplemental Plan attached as **Exhibit B** are in proportion to, and do not exceed, the special benefits to be conferred on the Property through the financing of the Authorized Improvements identified in this Petition. The Petitioner further consents to the levying of the Special Assessment against the Property by the Council. The Petitioner acknowledges that these Special Assessments are fair, just and equitable and being imposed at the Petitioner's specific request. The Petitioner intends to consolidate the parcels described in **Exhibit A** into a single tax parcel after the date of this Petition and hereby consents to the Special Assessments being levied solely on such consolidated tax parcel.

The Petitioner hereby waives notice and publication of all resolutions, legal notices, and hearings provided for in the Ohio Revised Code with respect to the Authorized Improvements and

the Special Assessments, particularly those in Ohio Revised Code Chapters 727 and 1710 and consents to proceeding with the Authorized Improvements. Without limiting the foregoing, the Petitioner each specifically waives any notices and rights under the following Ohio Revised Code Sections:

- The right to notice of the adoption of the Resolution of Necessity under Ohio Revised Code Sections 727.13 and 727.14;
- The right to limit the amount of the Special Assessment under Ohio Revised Code Sections 727.03 and 727.06, including the right to consider the Special Assessments authorized by this Petition within the limitations contained in Ohio Revised Code Sections 727.03 and 727.06 applicable to the Special Assessments and any other special assessments properly levied now or in the future;
- The right to file an objection to the Special Assessment under Ohio Revised Code Section 727.15;
- The right to the establishment of, and any proceedings by and any notice from an Assessment Equalization Board under Ohio Revised Code Sections 727.16 and 727.17;
- The right to file any claim for damages under Ohio Revised Code Sections 727.18 through 727.22 and Ohio Revised Code Section 727.43;
- The right to notice that bids or quotations for the Authorized Improvements may exceed estimates by 15%;
- The right to seek a deferral of payments of Special Assessments under Ohio Revised Code Section 727.251; and
- The right to notice of the passage of the Assessing Ordinance under Ohio Revised Code Section 727.26.

The Petitioner, in accordance with Ohio Revised Code Section 1710.02(A), further agrees that the Property may be included in more than one district formed under Ohio Revised Code Chapter 1710. The Petitioner further agrees not to take any actions, or cause to be taken any actions, to place any of the Property in an agricultural district as provided for in Ohio Revised Code Chapter 929, and if any of the Property is in an agricultural district, the Petitioner, in accordance with Ohio Revised Code Section 929.03, hereby grants permission to collect any Special Assessments levied against such Property.

The Petitioner further agrees and consents to the Council promptly proceeding with all actions necessary to facilitate the acquisition, installation, equipment, and improvement of the Authorized Improvements and to impose the Special Assessments.

The Petitioner acknowledges that the Special Assessments set forth in this Petition and in the Exhibits to this Petition are final Special Assessments and the Petitioner, without limitation of the other waivers contained in this Petition, also waive any rights it may now or in the future have to object to those assessments, any notice provided for in Ohio Revised Code Chapters 727 and 1710, and any rights of appeal provided for in such Chapters or otherwise. The Petitioner further acknowledges and represents that the final assessments may be levied at such time as determined by the City and regardless of whether or not any of the parts or portions of the Authorized Improvements have been completed.

The Petitioner further acknowledges that the final Special Assessments for the Authorized Improvements, when levied against the Property, will be payable in cash within thirty (30) days from the date of passage of the resolution or ordinance confirming and levying the final assessments and that if any of such assessments are not paid in cash they will be certified to the County Auditor of Medina County, Ohio as provided by law, to be placed on the tax list and duplicate and collected as other taxes are collected. Notwithstanding the foregoing, however, the Petitioner hereby waives the right to pay the final assessments for the Authorized Improvements in cash within thirty (30) days from the passage of the resolution or ordinance confirming and levying the final assessments and requests that the unpaid final assessments for the Authorized Improvements shall be payable in thirty-six (36) semi-annual installments, with collection commencing on the earliest date permitted by said County Auditor, but in no event sooner than the semiannual installment payment of first-half real property taxes for tax year 2025 due with respect to the Property.

Pursuant to Ohio Revised Code Section 1710.03(C), the Petitioner hereby appoints as its designee to carry out the rights and responsibilities of District members under Ohio Revised Code Chapter 1710 such representative as may be duly appointed by the Petitioner from time to time, which designation shall not expire unless and until the Petitioner shall notify the Secretary of the Corporation that said designation is no longer in effect or that Petitioner has made a new designation to replace said designation.

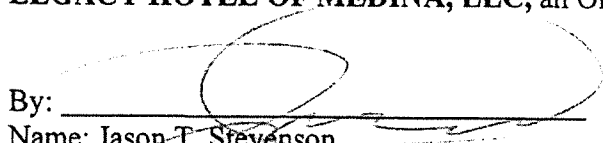

The Petitioner further waives any and all questions as to the constitutionality of the laws under which Authorized Improvements shall be acquired, installed, equipped and improved or the proceedings relating to the acquisition, installation, equipment, and improvement of the Authorized Improvements, the jurisdiction of the City acting in connection with the acquisition, installation, equipment, and improvement of the Authorized Improvements, all irregularities, errors and defects, if any, procedural or otherwise, in the levying of the assessments or the undertaking of the Authorized Improvements, and specifically waives any and all rights of appeal, including any right of appeal as provided in Ohio Revised Code Title 7, and specifically but without limitation, Ohio Revised Code Chapters 727 and 1710, as well as all such similar rights under the Constitution of the State of Ohio. The Petitioner each represents that it will not contest, in a judicial or administrative proceeding, the undertaking of the Authorized Improvements, the estimated assessments, the final assessments, and any Special Assessments levied against the Property for the Authorized Improvements, or any other matters related to the foregoing.

The Petitioner acknowledges and understands that the City and the Corporation will be relying upon this Petition in taking actions pursuant to it and expending resources. This Petition therefore shall be irrevocable and shall be binding upon the Petitioner, any successors, assigns, or affiliates of the Petitioner, the Property, and any grantees, mortgagees, lessees, or transferees of the Property. The Petitioner acknowledges that it has had an opportunity to be represented by legal counsel in this undertaking and has knowingly waived the rights identified in this Petition.

The Petitioner further deposes and states that this Petition and actions provided for herein impose burdens and obligations upon the Property and provide for Special Assessments to be levied upon the Property in accordance with this Petition, and that this Petition is available for inspection at the office of the Clerk of Council of the City.

IN WITNESS WHEREOF, the Petitioner has caused this petition to be executed by its undersigned duly authorized signatory.

CITY OF MEDINA ENERGY SPECIAL IMPROVEMENT DISTRICT PROJECT PLAN

[See Attached]

**2024 PLAN FOR THE IMPROVEMENTS, SERVICES AND OPERATION
OF THE MEDINA COUNTY ENERGY SPECIAL IMPROVEMENT
DISTRICT**

**Presented and Adopted at the Annual Meeting, November 30, 2023
Amended and Approved at ESID Meeting of April 23, 2024**

I. Overview.

This Plan is a revision to the Initial Plan for the Improvements, Services and Operation of the Medina County Energy Special Improvement District (“the Plan”) which was developed in accordance with the requirements of Revised Code Chapter 1710 of the Ohio Revised Code and was approved by Ordinance passed by City of Medina in 2019. The public improvements and public services to be provided hereunder will be in addition to, and not in lieu of, any public improvements or public services provided by any participating political subdivision. The geographical area of the District may extend to any parcel of property within the boundaries of any participating municipality or township, provided that the parcel of property is approved to be added to the energy special improvement district (“ESID”) by the vote of a majority of the members of the Board of Directors, and so long as each such additional parcel includes a proposed special energy improvement project.

The board regularly reviews the expansion of the District’s financing activity to support energy projects throughout City of Medina upon request and the identification and approval of qualified projects. The District enters into Energy Project Agreements and Loan Agreements with property owners and the appropriate Cities, Villages, Townships and the associated ESID to provide the project financing.

The District shall undertake such energy improvement projects and render such related services as its Board of Directors shall authorize and approve, and for the purpose of paying the costs of such projects and services, participate in the process of levying special assessments in accordance with the applicable provisions of Revised Code Chapters 1710 and 727.

The District shall offer energy efficiency programs and renewable energy programs to property owners within the District. These programs may include options such as energy audits, the installation of efficiency equipment, and retrofit of buildings with high-efficiency materials, renewable energy installations including wind, solar energy, biomass, or any other current or future technology contemplated by Revised Code Chapter 1710 or any other similar law. The District may enter into arrangements and contracts with businesses, municipal or investor owned utilities or other entities to provide energy efficiency and alternative and advanced energy services to businesses and individuals. These programs may include options such as energy audits, the installation of efficiency equipment, and retrofit of buildings with high-efficiency materials, renewable energy installations including wind, solar energy, biomass, or any other current or future technology and authorized under Revised Code Chapter 1710 or any similar law.

II. Operation of the District.

The District is created by legislative action taken by participating political subdivisions (municipal corporations and townships) and is governed by a Board of Directors of a nonprofit corporation, the City of Medina Energy Special Improvement District Corporation (“the Corporation”). The District shall initially operate through the donated services and facilities of its members. The Corporation, acting for the District, may hire employees, acquire professional services and occupy facilities upon the approval of the Board of Directors if the costs of such employees, services and facilities are specified in a subsequent amendment of this Plan. The Board of Directors shall seek contributions from its members to provide for necessary liability and other insurance until such time as the District has identified an ongoing source of funds for its operation.

Upon the first meeting of the members of the District, who shall be members of the Corporation, the members shall select members of the Board of Directors of the Corporation, in addition to the members of the Board of Directors selected by the mayor and council of the participating political subdivisions. The Board shall adopt a Code of Regulations which shall address all other matters of operation that are not otherwise dictated by the Articles of Incorporation or provided for as a matter of law. At its July 11, 2019 meeting, the Board adopted a Code of Regulations.

The members of the Board of Directors shall elect a Chair, Vice-Chair, Secretary, and Treasurer of the Board. These officers shall serve at the Board’s pleasure. A Director may be elected to more than one office, except that the Director elected as Treasurer shall not be elected to any other office of the Board. Officers serve for a two-year term. The officers elected at the November 1, 2022 meeting who will serve through the November, 2024 meeting are as follows: Chair – Kimberly Marshall; Vice-Chair – Bethany Dentler; Treasurer – Scott Miller; Secretary – Grant Aungst.

Elections occurred again at the November, 2023 Board Meeting to name new officers to replace vacancies on the board. The officers elected at the November 30, 2023 meeting who will serve through the November, 2024 meeting are as follows: Treasurer – Brett Thomas; Secretary – Matt Springer. Other officers previously elected will continue serving through the November 2024 meeting.

III. Adding Members to the District

Upon approval by a majority of the members of the Board, parcels of property within the area of the participating political subdivisions may be added to the District and the owner of that parcel shall become a member of the District with all of the rights of members as provided under law. If a property owner not within the area of one of the District’s participating political subdivisions submits an application to become a member, and a majority of the Board approves the application, the Corporation and the property owner shall jointly submit a petition to the political subdivision in question to bring the parcel into the District. In all cases, the parcel shall have a plan for a special energy improvement project on the parcel.

For the 2024 Plan, the District will continue to market the PACE Energy Efficiency Program to small commercial businesses and seek their interest in joining the District. Marketing efforts will target sectors such as schools, medical facilities, contractors and engineers, banks, economic development agencies, vendors, energy services companies, municipalities and townships, chambers of commerce, improvement districts and others. Advertisement of the program will include development of a program brochure, material for website, social media, newsletters, case studies and more. The Board will evaluate adding a residential PACE program as soon as feasible.

IV. Plan for Public Improvements and Public Services

The 2019-2020 Plan called for a special energy improvement project within the City of Medina. In 2019-2020, the Better Buildings Northwest Ohio program provided funding for energy efficiency improvements to one building. In 2020, 2021, and 2022, other projects were identified and are in process. The District works with property owners to secure the building owners' consent and petition the property owner to join the District.

The District may undertake educational activities to advise property owners throughout the participating political subdivisions and in areas in which political subdivisions may elect to join the District about the benefits of participation in the District.

The District shall update its Plan as necessary to reflect the additional activities and additional energy special improvement projects it intends to undertake.

As owners of parcels desiring the assistance of the District in undertaking special energy improvement projects are identified, considered and approved by the Board, such parcels will be added to the District and the owners of the parcels will become members entitled to the rights of membership under law and the Articles of Incorporation.

As authorized pursuant to R.C. 1710.06, the District may enter into contracts with the participating political subdivisions for the sale, lease, lease with an option to purchase, conveyance of other interests in, or other contracts for the acquisition, construction, maintenance, repair, furnishing, equipping, operation, or improvement of any special energy improvement project by the special improvement district, between a participating political subdivision and the special improvement district, and between the special improvement district and any owner of real property in the special improvement district on which a special energy improvement project has been acquired, installed, equipped, or improved. Further, in accordance with the statute, the District may aggregate the renewable energy credits generated by one or more special energy improvement projects within District, upon the consent of the owners of the credits and for the purpose of negotiating and completing the sale of such credits.

V. Plan to Secure Financing to Fund Public Improvements & Public Services

The District will enter into loan agreements with eligible funding entities.

While the Series 2024A Bonds are Outstanding, the Owner shall pay the Special Assessments semiannually to the County Treasurer pursuant to and in accordance with the Assessing Ordinance, the Special Improvement District Act and Ohio Revised Code Chapter 727. The Special Assessments shall be paid semiannually to the County Treasurer on or before the date on which real property taxes would otherwise be due and payable for the Project Site. The obligation of the Owner to pay the Special Assessments shall be absolute and shall not be terminated for any cause, and there shall be no right to suspend or set off such Special Assessments for any cause, including without limitation any acts or circumstances that may constitute failure of consideration, destruction of or damage to the Series 2024A Project, commercial frustration of purpose, or any failure by any other Cooperative Party to perform or observe any obligation, or covenant, whether express or implied, arising out of or in connection with this Agreement or the other Operative Documents to which they are parties.

While any of the Series 2024A Bonds are Outstanding, no Owner shall execute a petition (a) requesting special assessments to be levied on the Project Site in connection with improvements which are for the benefit of the Project Site, including, but not limited to a special energy improvement project under the Special Improvement District Act or (b) to create or join a special improvement district other than the District in accordance with the Special Improvement District Act, without the written consent of the Issuer.

Section 2.7. Maintenance and Repair of Development; Covenant to Maintain Insurance; Damage and Use of Proceeds of the Development.

(a) Repair and Maintenance of the Development. The Owner shall maintain and preserve the Development in good working order and condition, ordinary wear and tear excepted, and shall from time to time make all necessary repairs, renewals,

replacements, additions and improvements thereto. All damage to or destruction of the Development shall be promptly repaired, replaced or restored by the Owner.

(b) Insurance. The Owner shall at all times:

(i) Maintain or cause to be maintained the Required Property Insurance Coverage, which insurance shall be issued by solvent insurance carriers licensed to do business in the State.

(ii) Furnish to the Issuer, upon request, certified copies of its insurance policies or certificates of insurance showing its insurance coverage.

(iii) Require each policy of insurance to contain a provision whereby it cannot be canceled or substantially modified except after not less than 30 days' written notice to the Issuer.

(iv) Require each policy of insurance covering the Development to be written or endorsed so as to make the Issuer an additional insured or loss payee.

(v) Require each policy of insurance, if readily obtainable in the market, to contain an agreement by the insurer that any loss shall be payable to the Trustee notwithstanding any act or negligence of the Owner which might otherwise result in forfeiture of said insurance.

(vi) Deliver, upon demand, renewal certificates of all insurance required in this Section, together with written evidence of full payment of the annual premiums therefor upon request.

Any insurance required under this Agreement may be provided under so called "blanket" policies, so long as the amounts and coverages thereunder will provide protection equivalent to that provided under a single policy meeting the requirements of this Section.

(c) Damage to or Destruction of the Development. In case of any damage to or destruction of the Development or any part thereof, the Owner will promptly give or cause to be given written notice thereof to the Issuer and the Trustee generally describing the nature and extent of such damage or destruction. If within 90 days following such damage or destruction the Owner shall have certified in writing to the District, the Issuer and the Trustee that the Development shall have been damaged or destroyed to such an extent that (a) it cannot reasonably be expected to be restored, within a period of six months from the commencement of restoration, to the condition thereof immediately preceding such damage or destruction or (b) its normal use and operation is reasonably expected to be prevented for a period of six consecutive months or (c) the Owner shall not be required to restore the Development under the terms of the Development Lender Documents, then the Owner shall have no obligation to repair or restore the Development. If the Owner shall not deliver such certification, the Owner shall, whether or not the Net Proceeds, if any, received on account of such damage or destruction shall be sufficient for such purpose, promptly commence and complete, or cause to be commenced and completed, the repair,

restoration or replacement of the Development as nearly as practicable to the value, condition and character thereof existing immediately prior to such damage or destruction, with such changes or alterations, however, as the Owner may deem necessary for proper operation of the Development and to which the Issuer has consented, which consent shall not be unreasonably withheld. In no event shall there be any abatement or diminution of the Special Assessments by reason of the damage to or destruction of the Development.

Except as otherwise provided in the Development Lender Documents, Net Proceeds not in excess of \$100,000 shall be paid, so long as no Event of Default shall have occurred and be continuing, to the Owner for application of as much as may be necessary for the repair, rebuilding and restoration of the Development. The balance of the Net Proceeds remaining after payment of all costs of such repair, rebuilding or restoration shall be paid to the Owner and may be used by the Owner for any purpose the Owner deems appropriate. Except as otherwise provided in the Development Lender Documents, if such Net Proceeds are in excess of \$100,000, the Net Proceeds shall be paid to and held by the Trustee in the Collateral Fund for application of as much as may be necessary of the Net Proceeds for the payment of the costs of repair, rebuilding or restoration, either on completion thereof or as the work progresses, as directed by the Owner in a writing approved by the Issuer. The balance of the Net Proceeds remaining after payment of all costs of such repair, rebuilding or restoration shall be paid to the Owner and may be used by the Owner for any purpose the Owner deems appropriate. If the Development Lender determines under the Development Lender Documents not to authorize the repair, rebuilding or restoration of the Development with the Net Proceeds and instead determines to apply such Net Proceeds to amounts owed to the Development Lender under the Development Lender Documents, then the Owner hereby covenants and agrees that it shall pay to the Trustee all remaining Net Proceeds for deposit into the Collateral Fund and applied by the Trustee in accordance with the Indenture.

If, in lieu of repair, restoration or replacement of the Development, the Owner has certified that it will pay funds sufficient to redeem the Outstanding Series 2024A Bonds in full and all other amounts due under this Agreement, any Net Proceeds received prior to such payment shall be credited against the payment of such redemption price.

(d) Notwithstanding the foregoing, if an Event of Default shall have occurred and is then continuing, except as otherwise provided in the Development Lender Documents, all Net Proceeds shall be paid to the Trustee and shall be deposited into the Collateral Fund and applied by the Trustee in accordance with the Indenture.

ARTICLE III

Cooperative Arrangements

Section 3.1. Cooperative Arrangements. For the reasons set forth in the Recitals to this Agreement, the Cooperative Parties have determined to cooperate with one another in undertaking the issuance of the Series 2024A Bonds in accordance with the terms of this Agreement and the other Operative Documents. The District and the Developer have requested the assistance of the Issuer in issuing the Series 2024A Bonds, the proceeds of which will be used to finance a portion of the Project Costs. This Agreement is intended to and shall be an agreement among the Cooperative Parties to cooperate in the financing of port authority facilities pursuant to the Act.

Section 3.2. Issuance of Series 2024A Bonds. The Cooperative Parties agree as follows:

(a) Developer to Undertake Series 2024A Project. The Issuer shall undertake Provision of the Series 2024A Project on behalf of the District. The Developer shall act as the Construction Manager for the Issuer for Provision of the Series 2024A Project pursuant to this Agreement, the Plan, the Plans and Specifications and the Construction Manager Agreement. The District consents and agrees to the Developer acting as Construction Manager for the Issuer under the Construction Manager Agreement. The Issuer agrees, for the benefit of the District, to enforce, and will enforce if directed by the District, the terms of the Construction Manager Agreement.

(b) Financing of Project Costs. In order to assist the Developer with financing, or providing funds for the payment of a portion of, the Project Costs, (i) the Issuer has issued the Series 2024A Bonds and has pledged the Assigned Special Assessments to the payment of Bond Service Charges on the Series 2024A Bonds under the Series 2024A Supplemental Indenture; and (ii) the City has adopted the Assessing Ordinance and assigned the Net Special Assessments to the Issuer. A portion of the proceeds of the Series 2024A Bonds has been deposited to the Project Fund to be disbursed in accordance with the Construction Manager Agreement and the Indenture to pay Project Costs.

(c) Reserves and Administrative Amounts as Project Costs. The Developer expressly acknowledges and agrees that the costs of providing for the funding of the Bond Reserve Deposit and Administrative Amounts under the Indenture shall be deemed to be Project Costs and payable by the Trustee with proceeds of the Series 2024A Bonds or otherwise with Assigned Special Assessments as provided in the Indenture.

(d) Developer Required to Pay Costs in the Event Project Fund is Insufficient. If moneys available to the Issuer from the Project Fund are insufficient to pay all of the Project Costs, the Developer will nonetheless, pay all costs to complete the Series 2024A Project in accordance with the Plan and the Plans and Specifications and shall pay all such additional Project Costs from its funds. The Developer shall not be entitled to reimbursement for any Project Costs or issuance costs from the Issuer, the District or the City, nor shall the Developer be entitled to any abatement, diminution or postponement of Special Assessments on account thereof.

(e) Signage. During the construction of the Series 2024A Project, the Developer, at its expense, shall furnish and post appropriate public signage on or about the Series 2024A Project satisfactory to the Issuer, the City, the Medina County Port Authority and the District reflecting their respective roles in the Series 2024A Project.

(f) Payment of Project Fees by the Owner. The Owner agrees to pay the following fees and expenses in connection with the Series 2024A Bonds:

- (i) on the Closing Date, from the proceeds of the Series 2024A Bonds, the fees and expenses in connection with the issuance of the Series 2024A Bonds;
- (ii) while the Series 2024A Bonds are Outstanding, the Trustee's Extraordinary Expenses, payable within 30 days of receipt by the Owner of an invoice therefor;
- (iii) while the Series 2024A Bonds are Outstanding, the Administrative Amounts, including any fees and expenses of the Issuer, the District and the City, including without limitation reasonable attorneys' fees and expenses, incurred by the Issuer, the District and the City in connection with the enforcement of the obligations of the Owner under this Agreement and the other Operative Documents to which the Owner is a party, payable within 30 days of receipt by the Owner of an invoice therefor; and
- (iv) annually to the Issuer while the Series 2024A Bonds are Outstanding, the fees of the Issuer incurred in connection with any continuing disclosure obligations of the Issuer for the Series 2024A Bonds, payable within 30 days of receipt by the Owner of an invoice therefor.

Section 3.3. Bond Reserve Deposit. The Developer agrees that on the Closing Date the Bond Reserve Deposit will be initially funded by proceeds of the Series 2024A Bonds deposited in the Series 2024A Primary Reserve Account.

Section 3.4. Limitation on Obligations. Neither the Series 2024A Bonds, nor any obligation of the Issuer created by or arising out of this Agreement or the other Operative Documents shall constitute a general debt of the Issuer or give rise to any pecuniary liability of the Issuer, but shall be payable solely from the Pledged Revenues. The obligations of the Issuer and the City under this Agreement are not and shall not be secured by an obligation or pledge of any moneys raised by taxation. The obligations of the Issuer, the District and the City under this Agreement do not and shall not represent or constitute a debt or pledge of the faith and credit or taxing power of the Issuer or the City, and the Trustee and any holder of the Series 2024A Bonds do not and shall not have any right to have taxes levied by the Issuer, the District or the City for the payment of Bond Service Charges on any of the such bonds or notes or any other obligation of the Issuer, the District or the City hereunder.

None of the officials of the Issuer, the District or the City or any members of any respective Legislative Authority or their respective officers or employees, shall be liable in their personal

capacities as to any obligations contemplated by this Agreement or created by or arising out of this Agreement.

ARTICLE IV

Assignment of Assigned Special Assessments

Section 4.1. Assignment of Assigned Special Assessments. In consideration of the Series 2024A Bonds issued by the Issuer to finance a portion of the Project Costs, the City hereby assigns to the Issuer the Assigned Special Assessments, and grants to the Issuer the City's right to receipt of the Assigned Special Assessments, which right the Issuer has pledged to the Trustee under the Indenture to secure the payment of Bond Service Charges on the Series 2024A Bonds. Accordingly, the City is obligated to transfer all Assigned Special Assessments received by the City to the Trustee within 30 days of receipt from the County, but not later than April 1 and October 1 of each year. All such Assigned Special Assessments shall be paid to the Trustee at the Trustee's Notice Address, or at such other address as the Trustee shall designate in writing for deposit in the Series 2024A Revenue Account for payment of Bond Service Charges on the Series 2024A Bonds in accordance with the Indenture.

Notwithstanding anything in this Agreement to the contrary, the City's obligation under this Agreement to make Assigned Special Assessments shall be a special obligation of the City and shall be required to be made solely from the Net Special Assessments received by the City. The obligations of the City under this Agreement are not and shall not be secured by an obligation or pledge of any moneys raised by taxation. The obligations of the City under this Agreement do not and shall not represent or constitute a debt or pledge of the faith and credit or taxing power of the City, and neither the Issuer, the Trustee, nor the Holders of the Series 2024A Bonds has or shall have any right to have taxes levied by the City for the payment of the Assigned Special Assessments.

Upon the City's execution and delivery of this Agreement, all moneys from the collection of the Net Special Assessments required for the payment of the Assigned Special Assessments shall be appropriated annually by the City to pay the City's obligations hereunder. During the years in which this Agreement is in effect, the City shall take such further actions as may be necessary to appropriate and maintain the moneys received from the Net Special Assessments and in such amounts and at such times as will be sufficient to enable the City to satisfy its obligations under this Agreement. The City has no obligation to use or apply to the payment of the Assigned Special Assessments any funds or revenues from any other source other than the moneys received by the City from the collection of the Net Special Assessments. Nothing herein, however, shall be deemed to prohibit the City from using, in its sole discretion, to the extent that it is authorized to do so, any other resources or from taking actions to fulfill any of the terms, conditions or obligations of this Agreement or from providing moneys for the payment of Bond Service Charges on the Series 2024A Bonds.

Section 4.2. Enforcement of Obligations of City and Issuer. The obligation of the City to provide to the Issuer and pay to the Trustee the Assigned Special Assessments is a continuing obligation pursuant to Ohio Revised Code Section 5705.44. All of the obligations of the Issuer and the City under this Agreement are hereby established as duties specifically enjoined by law and resulting from an office, trust, or station upon the City and the Issuer, respectively, within the meaning of Section 2731.01 of the Ohio Revised Code and shall be enforceable by mandamus;

and the enforcement of such obligations by mandamus against the City or Issuer shall be the sole remedy available to the other parties hereto and/or any Holder with respect to any and all claims against the City or the Issuer hereunder.

ARTICLE V

Additional Agreements and Covenants

Section 5.1. Right of Inspection. The Issuer, the District and the Trustee, and their respective agents, shall have the right during normal business hours to inspect the Series 2024A Project during the construction thereof upon reasonable advance notice to the Developer and with reasonable safety precautions.

Section 5.2. Indemnification.

(a) The Developer (the “Indemnifying Party”) releases the Issuer, the District, the City, and the Trustee, and their respective officers, officials, directors, employees and agents, (each, an “Indemnified Party” and collectively, the “Indemnified Parties”) from, and agrees that the Indemnified Parties shall not be liable for and indemnifies the Indemnified Parties against, all liabilities, claims, costs and expenses, including out-of-pocket and incidental expenses and reasonable legal fees, imposed upon, incurred or asserted against an Indemnified Party on account of: (i) any loss or damage to property or injury to or death of or loss by any person that may be occasioned by any cause whatsoever pertaining to the acquisition, construction, installation, equipping and improvement of the Series 2024A Project, or any part thereof, and the maintenance, operation and use by the Indemnifying Party and its tenants, lessees, licensees and other users of the Series 2024A Project and any part thereof; (ii) any breach or default on the part of the Indemnifying Party in the performance of any covenant, obligation or agreement of the Indemnifying Party, or arising from any act or failure to act by the Indemnifying Party, under this Agreement, any other Operative Document, or any contract for the construction or provision of the Series 2024A Project to which the Indemnifying Party is a party; (iii) any representation or warranty made by the Indemnifying Party to any of the Indemnified Parties in this Agreement or the other Operative Documents to which it is a party proving to be false or misleading in any material respect when made or given; (iv) a breach of any warranty or covenant made by the Indemnifying Party (or its predecessors) to the City with respect to the title to the Series 2024A Project or the Project Site, to the extent the costs relating to the claim for breach are not paid for by a policy of title insurance; (v) the issuance, sale, redemption or servicing of the Series 2024A Bonds; (vi) any action taken or omitted to be taken by the Issuer, the District, the City or the Trustee pursuant to the terms of this Agreement or any other Operative Document at the request of the Indemnifying Party; and (vii) any claim, action or proceeding brought with respect to any matter set forth in clause (i), (ii), (iii), (iv), (v), or (vi) above; provided, that for the Indemnified Party seeking indemnification, such losses did not result solely from (x) its willful misconduct or gross negligence of such Indemnified Party or (y) its breach of any material representation, warranty or covenant made by it in this Agreement or in any of the Operative Documents to which it is a party.

(b) The Indemnifying Party agrees to indemnify and hold the Indemnified Parties harmless from and against all liabilities, and all reasonable costs and expenses, including out-of-pocket expenses and reasonable legal fees incurred by an Indemnified

Party as a result of the existence on, or release from, the Project Site, of Hazardous Substances or arising out of any claim for violation or failure to comply with Environmental Laws in connection with the Series 2024A Project.

(c) The Indemnifying Party agrees to indemnify and hold the Trustee harmless against its Ordinary Expenses and its Extraordinary Expenses; provided, that such fees and expenses did not result from the willful misconduct or gross negligence of the Trustee.

(d) In case any claim or demand is at any time made, or action or proceeding, whether legal or administrative, is brought, against or otherwise involving any Indemnified Party in respect of which indemnity may be sought hereunder, the Indemnified Party seeking indemnity promptly shall give notice of that action or proceeding to the Indemnifying Party, and the Indemnifying Party, upon receipt of that notice, shall have the obligation upon the request of the Indemnified Party to assume the defense of the action or proceeding; provided, that failure of the Indemnified Party to give that notice shall not relieve the Indemnifying Party from any of its obligations under this section unless, and only to the extent, that failure prejudices the defense of the action or proceeding by the Indemnifying Party.

(e) Nothing in this Agreement is meant to release, extinguish or otherwise alter or interfere with any rights which the Indemnified Parties may now or hereafter have against the Indemnifying Party or any other Person for any environmental liabilities as a result of the Indemnifying Party's former, present or future ownership, occupancy or use of or interest in, any real property included in or in the vicinity of the Series 2024A Project.

(f) The indemnification set forth in this Section 5.2 is intended to and shall include the indemnification of the Indemnified Party and each Indemnified Party's successors and permitted assigns. That indemnification is intended to and shall be enforceable thereby to the full extent permitted by law and shall survive the termination of this Agreement and repayment of the Series 2024A Bonds.

Section 5.3. Litigation Notice. Each of the Cooperative Parties shall give to the others prompt notice of any action, suit or proceeding, whether legal or administrative, by or against any of the Cooperative Parties at law or in equity, or before any governmental instrumentality or agency, or of any of the same which is threatened in writing, of which such Cooperative Party has notice, which, if adversely determined, would materially impair the right or ability of a Cooperative Party to carry out its obligations contemplated under the Operative Documents in connection with the Series 2024A Project.

Section 5.4. Developer to Maintain its Existence. The Developer agrees not to sell, transfer or otherwise dispose of all, or substantially all, of its assets, consolidate with or merge into any other entity, or permit one or more entities to consolidate with or merge into it; provided, however, that the foregoing notwithstanding, the Developer may, without the consent of the Issuer or any other Cooperative Party, consolidate with or merge into another entity, or permit one or more other entities to consolidate with or merge into it, or sell, transfer or otherwise dispose of all, or substantially all, of its assets and thereafter dissolve (if it shall so elect) if the Developer has delivered a written notice to the Issuer no later than 30 days prior to the date of any sale, disposal,

transfer, merger or consolidation notifying the Issuer of the proposed transaction and providing a copy of an executed Assignment and Assumption of this Agreement by the appropriate entity agreeing to assume all the obligations and liabilities of Developer under this Agreement.

Section 7.1. Events of Default. Each of the following shall be an Event of Default:

(a) The City shall fail to pay and deliver to the Trustee any Assigned Special Assessment when due hereunder and in accordance with this Agreement and such failure continues for five Business Days after written notice from the Trustee.

(b) A Cooperative Party shall fail to observe and perform any agreement, term or condition contained in this Agreement to be performed by it, and such failure continues for a period of 30 days after notice thereof shall have been given to the defaulting Cooperative Party by the Trustee or any of the non-defaulting Cooperative Parties, or for such longer period as the non-defaulting Cooperative Parties may agree to in writing; provided, that if the failure is other than the payment of money and is of such nature that it can be corrected but not within the applicable period, that failure shall not constitute an Event of Default so long as the defaulting Cooperative Party institutes curative action within the applicable period and diligently pursues that action to completion and provides a certification to such effect.

(c) The Developer shall: (i) (A) admit in writing its inability to pay its debts generally as they become due; (B) file a petition in bankruptcy or a petition to take advantage of any insolvency act, or (C) make an assignment for the benefit of creditors; or (D) consent to the appointment of a receiver for itself or of the whole or any substantial part of its property; or (ii) file a petition or answer seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof.

(d) Any representation or warranty made by a Cooperative Party in this Agreement shall have been false or misleading in any material respect when made or given.

(e) The Developer shall fail to pay when due any Special Assessment and such failure continues for five calendar days after written notice from the Trustee.

Except for any obligation to pay moneys when due hereunder, notwithstanding the foregoing, if, by reason of Force Majeure, any Cooperative Party is unable to perform or observe any agreement, term or condition hereof which would give rise to an Event of Default under subsection (b) hereof, the defaulting Cooperative Party shall not be deemed in default during the continuance of such inability. However, the defaulting Cooperative Party shall promptly give notice to the others of the existence of an event of Force Majeure and shall use its best efforts to remove the effects thereof; provided that the settlement of strikes or other industrial disturbances shall be entirely within the discretion of the affected Cooperative Party.

The declaration of an Event of Default under subsection (c), above, and the exercise of remedies upon any such declaration, shall be subject to any applicable limitations of federal

bankruptcy law affecting or precluding that declaration or exercise during the pendency of or immediately following any bankruptcy, liquidation or reorganization proceedings.

Section 7.2. Remedies on Default. Whenever an Event of Default shall have happened and be subsisting, any one or more of the following remedial steps may be taken:

(a) (i) If the Developer is the defaulting party, the other Cooperative Parties may have access to, inspect, examine and make copies of the books, records, accounts and financial data of the Developer pertaining to the Series 2024A Project; and (ii) if the City is the defaulting party, the other Cooperative Parties may have access to, inspect, examine and make copies of the books, records, accounts and financial data of the City pertaining to the Special Assessments.

(b) Any non-defaulting Cooperative Parties may pursue all remedies now or hereafter existing under this Agreement or at law or in equity to enforce the terms of this Agreement and to collect all amounts then due and thereafter to become due and owed to them hereunder.

Notwithstanding the foregoing, the Trustee shall not be obligated to take any step which in its opinion will or might cause it to expend time or money or otherwise incur liability unless and until a satisfactory indemnity bond has been furnished to it at no cost or expense to the Trustee.

Nothing in this Agreement shall limit or restrict the access that any Cooperative Party has to any rights, recourse and remedies available under any other Operative Document to which it is a party and following an event of default under any such Operative Document, the non-defaulting Cooperative Party shall have access to all rights, recourse and remedies against the defaulting Cooperative Party available to the non-defaulting Cooperative Party under such Operative Document. Notwithstanding the foregoing however, with respect to any and all claims arising out of the City's default under this Agreement or under any other Operative Document, the non-defaulting Cooperative Parties' and/or any Holder's sole remedy and recourse against the City shall be limited to seeking and obtaining a writ of mandamus to compel the City's performance of its obligations under this Agreement and/or under the applicable Operative Document.

Section 7.3. No Remedy Exclusive. Except as set forth hereinabove with respect to remedies against the City, no remedy conferred upon or reserved to a non-defaulting Cooperative Party by this Agreement or under any of the other Operative Documents is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement, or now or hereafter existing at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair that right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle a non-defaulting Cooperative Party to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice, other than any notice required by law or for which express provision is made herein.

Section 7.4. Agreement to Pay Legal Fees and Expenses. If an Event of Default should occur and the Issuer, the City, the District or the Trustee should incur expenses, including without

limitation reasonable attorneys' fees and expenses, in connection with the enforcement of this Agreement against the Developer, the Developer shall reimburse the Issuer, the District, the City, or the Trustee, as the case may be, for the reasonable expenses so incurred within thirty (30) days following written demand therefor. If any such expenses are not so reimbursed, the amount thereof, together with interest thereon from the date of demand for payment at the Interest Rate for Advances, to the extent permitted by law, shall constitute indebtedness of the Developer and in any action brought to collect that indebtedness or to enforce this Agreement, the party to whom the indebtedness is owed shall be entitled to seek the recovery of those expenses in such action, except as limited by law or judicial order or decision entered in such proceedings.

Section 7.5. No Waiver. No failure by a Cooperative Party to insist upon the strict performance by another Cooperative Party of any provision of this Agreement shall constitute a waiver of its right to strict performance and no express waiver shall be deemed to apply to any other existing or subsequent right to remedy the failure of such Cooperative Party to observe or comply with any provision hereof.

Section 7.6. Notice of Default. Each Cooperative Party shall notify the other Cooperative Parties promptly if it becomes aware of the occurrence of any Event of Default hereunder or of any fact, condition or event which, with the giving of notice or passage of time or both, would become an Event of Default.

ARTICLE VIII

Miscellaneous

Section 8.1. Term of Agreement. This Agreement shall be and remain in full force and effect from the date hereof until no Series 2024A Bond shall remain Outstanding (except for the obligations imposed under Section 5.2, Section 7.2 and Section 7.4 hereof, which shall survive the expiration or termination of this Agreement). Upon termination of this Agreement, the Cooperative Parties will take such action as shall be required of them to release any liens on the Series 2024A Project.

Section 8.2. Notices. All notices, certificates, requests or other communications hereunder shall be in writing and shall be deemed to be sufficiently given when mailed by registered or certified mail, postage prepaid, or delivered by overnight courier service, and addressed to the appropriate Notice Address. A duplicate copy of each notice, certificate, request or other communication given hereunder to any Cooperative Party shall also be given to the other Cooperative Parties (other than the Trustee); provided, however, the Trustee shall only be required to provide notices and certificates to the other Cooperative Parties that are specifically required to be so delivered under the terms hereof. The Cooperative Parties, by notice given hereunder, may designate any further or different addresses to which subsequent notices, certificates, requests or other communications shall be sent. If, because of the suspension of delivery of certified or registered mail or for any other reason, notice, certificates or requests or other communications are unable to be given by the required class of mail or courier service, any notice required to be mailed or delivered by courier service by the provisions of this Agreement shall be given in such other manner as in the judgment of the Issuer shall most effectively approximate mailing thereof or delivery by courier service, and the giving of that notice in that manner for all purposes of this Agreement shall be deemed to be in compliance with the requirement for delivery under this Section. Except as otherwise provided herein, the mailing of any notice shall be deemed complete upon deposit of that notice in the mail and the giving of any notice by any other means of delivery shall be deemed complete upon receipt of the notice by the delivery service.

Section 8.3. Extent of Covenants; No Personal Liability. All covenants, obligations and agreements of the Cooperative Parties contained in this Agreement and the other Operative Documents shall be effective to the extent authorized and permitted by applicable law. No such covenant, obligation or agreement shall be deemed to be a covenant, obligation or agreement of any present or future officer, official, employee or agent of the Issuer, the District or the City or their respective Legislative Authorities in other than its official capacity, or of the Developer, and neither the members of any Legislative Authorities nor any official executing the Operative Documents or any Series 2024A Bond, nor any officer, official, employee or agent of the Developer, shall be liable personally on the Operative Documents or such Bonds or be subject to any personal liability or accountability by reason of the issuance thereof or by reason of the covenants, obligations or agreements of the Issuer, the District, the City or the Developer contained in this Agreement or in the other Operative Documents.

Section 8.4. Binding Effect. This Agreement shall inure to the benefit of and shall be binding in accordance with its terms upon the Cooperative Parties and their respective permitted

successors and assigns; provided that while any of the Series 2024A Bonds remains Outstanding, the interests in and obligations of any party to pay, pledge or assign any of the Pledged Revenues may not be assigned by such party (except to the extent contemplated in this Agreement). This Agreement may be enforced only by the parties, their assignees and others who may, by law, stand in their respective places.

Section 8.5. Amendments and Supplements. Except as otherwise expressly provided in this Agreement or the other Operative Documents, (a) subsequent to the issuance of the Series 2024A Bonds and while the Series 2024A Bonds remain Outstanding, no provision of this Agreement or the other Operative Documents relating to the payment of the Assigned Special Assessments or other security for the Series 2024A Bonds may be effectively amended, changed, modified, altered or terminated, except in accordance with the Indenture; and (b) subsequent to the issuance of the Series 2024A Bonds and while the Series 2024A Bonds remain Outstanding, the Plan shall not be amended or modified in any manner that would reduce or diminish the amounts of the Net Special Assessments. In no event shall any amendment or modification to this Agreement be effective unless signed by all of the Cooperative Parties.

Section 8.6. Execution Counterparts. This Agreement may be executed in counterpart and in any number of counterparts, each of which shall be regarded as an original and all of which shall constitute but one and the same instrument. Signatures transmitted by facsimile or electronic means are deemed to be original signatures.

Section 8.7. Severability. If any provision of this Agreement, or any covenant, obligation or agreement contained herein is determined by a court to be invalid or unenforceable, that determination shall not affect any other provision, covenant, obligation or agreement, each of which shall be construed and enforced as if the invalid or unenforceable portion were not contained herein. That invalidity or unenforceability shall not affect any valid and enforceable application thereof, and each such provision, covenant, obligation or agreement shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

Section 8.8. Limitation of Rights. With the exception of rights conferred expressly in this Agreement, nothing expressed or mentioned in or to be implied from this Agreement is intended or shall be construed to give to any Person other than the Cooperative Parties and the Holders of the Series 2024A Bonds any legal or equitable right, remedy, power or claim under or with respect to this Agreement or any covenants, agreements, conditions and provisions contained herein. This Agreement and all of those covenants, agreements, conditions and provisions are intended to be, and are, for the sole and exclusive benefit of the Cooperative Parties and the Holders of the Series 2024A Bonds, as provided herein.

Section 8.9. Governing Law. This Agreement shall be deemed to be a contract made under the laws of the State and for all purposes shall be governed by and construed in accordance with the laws of the State. Any legal suit, action or proceeding arising out of or relating to this Agreement shall be instituted in a State court sitting in the County.

SPECIAL ASSESSMENT AGREEMENT

THIS SPECIAL ASSESSMENT AGREEMENT (this “Agreement”) is made effective as of [Closing Date], by and among the County Treasurer of Medina County, Ohio (the “Treasurer”), the City of Medina, Ohio (the “City”), the City of Medina Energy Special Improvement District, Inc. dba Medina County Energy Improvement District (“District”), Legacy Hotel of Medina, LLC (the “Owner), and the Development Finance Authority of Summit County (together with its permitted successors and assigns, the “DFA”) (the Treasurer, the District, the City, the Owner, and the DFA are collectively referred to herein as the “Parties”).

BACKGROUND:

WHEREAS, the District was created under Ohio Revised Code Chapters 1702 and 1710 and established pursuant to Ordinance of the City of Medina, Ohio (the “Council”); and

WHEREAS, the District is an energy special improvement district and nonprofit corporation duly organized and validly existing under the laws of the State of Ohio to further the public purpose of implementing special energy improvement projects pursuant to the authority in Ohio Revised Code Chapter 1710 and Article VIII, Section 20 of the Ohio Constitution; and

WHEREAS, the Council of the City approved the Medina Energy Special Improvement District Project Plan (the “Original Plan”), as a plan for public improvements or public services for the District under Ohio Revised Code Section 1710.02(F); and

WHEREAS, the Owner has determined that it is in its best interests to cause the acquisition, installation, equipping, and improvement of special energy efficiency improvements and related improvements (collectively, the “Project”) on certain real property located within Medina County, Ohio (the “County”) and the City, and as more fully described in **Exhibit A** to this Agreement (the “Assessed Lands”); and

WHEREAS, the costs of the Project are being funded in part through an advance in the amount of \$[Principal Amount] (the “Project Advance”) to the Owner pursuant to a Cooperative Agreement dated as of _____ 1, 2024 (the “Cooperative Agreement”) among the District, the DFA, the Owner, the City and U.S. Bank Trust Company, National Association, as Trustee, as amended or supplemented from time to time; and

WHEREAS, to secure the repayment of the principal of, and the payment of any premium, fees, and unpaid interest on, the Project Advance used to finance the Project (the “Project Costs”), (i) the Owner signed and delivered to the Clerk of the Council a Petition for Special Assessments for Special Energy Improvement Projects and Affidavit (the “Petition”) for the acquisition, installation, equipping, and improvement of the Project and evidencing Owner’s agreement to the levy and collection of special assessments by the City (the “Special Assessments”) on the Assessed Lands, which are located within the District, in amounts sufficient to pay the Project Costs, and (ii) the City (a) has taken all the necessary actions required by Ohio Revised Code Chapter 727, including, without limitation, the passage of the assessing resolution or ordinance pursuant to the

requirements of Ohio Revised Code Section 727.25, for the levying of the Special Assessments and has caused or will cause the Special Assessments to be certified to the County Auditor of Medina County, Ohio (the "County Auditor") for collection by the Treasurer in semi-annual installments, and (b) hereby has agreed to transfer to the DFA the payments of Special Assessments received to pay the Project Costs.

WHEREAS, the Owner agrees that its delivery of the Petition and the requests and agreements made in the Petition are irrevocable and that the Parties have acted and will act in reliance on the agreements contained in the Petition; and

WHEREAS, pursuant to the Petition, the Special Assessments have been levied against the Assessed Lands as described in the Petition and pursuant to this Agreement the Owner is willing to agree to make Special Assessment payments in accordance with the Petition; and

WHEREAS, Ohio Revised Code Chapters 323 and 5721 set forth certain parameters and timing requirements for the foreclosure of property on which taxes and assessments, including the Special Assessments, are due and owing and remain unpaid; and

WHEREAS, upon the occurrence of an Event of Default pursuant to the Cooperative Agreement, it may be necessary for the District to foreclose on the lien of the Special Assessments with respect to the Assessed Lands as set forth in Section 2 of this Agreement; and

WHEREAS, in consideration of the Project Advance, the Owner is willing to consent to an expedited foreclosure process with respect to the lien of the Special Assessments, the form of the consent being attached hereto as Exhibit B (the "Owner Consent") and the Owner Consent with respect to the foreclosure of the Special Assessments as soon as possible (as referenced in Section 2 hereof) shall be a covenant running with Assessed Lands and binding upon the Owner and upon future owners of the Assessed Lands until the Project Costs are paid in full; and

WHEREAS, based on the Owner Consent and other considerations, including, without limitation, the right to be indemnified pursuant to this Agreement, at the request of the District and, upon the occurrence of an Event of Default described under Section 7.1 of the Cooperative Agreement, the Treasurer has agreed to foreclose the lien of the Special Assessments as soon as possible as described herein upon an occurrence of an Event of Default under the Cooperative Agreement; and

WHEREAS, if any assessments, including, without limitation, the Special Assessments, payments in lieu of taxes, real property taxes, or other governmental charges levied on the Assessed Lands are not paid when due and thereafter remain delinquent, the Treasurer, pursuant to Ohio Revised Code Sections 5721.30 through 5721.41 (the "Delinquent Tax Lien Sale Act"), specifically Ohio Revised Code Section 5721.33, may, in his discretion, but is not required to, negotiate with one or more persons the sale of any number of tax certificates ("Tax Certificates") which evidence the liens (the "Tax Liens") of the State of Ohio (the "State") and its applicable taxing districts for such delinquent assessments, including Special Assessments, real property

taxes, payments in lieu of taxes, governmental charges, or penalties and interest on such Assessed Lands; and

WHEREAS, pursuant to the Delinquent Tax Lien Sale Act, the Treasurer, in its discretion, may sell such Tax Certificates at a discount from the full amount of the general real estate taxes, assessments, including the Special Assessments, penalties, and interest that have become delinquent; and

WHEREAS, if the Treasurer were to sell such Tax Certificates at a discount (other than in accordance with the provisions of this Agreement), the proceeds of such sale representing the delinquent Special Assessments might be insufficient to pay the Project Costs; and

WHEREAS, the Treasurer does not desire to take any action with respect to the collection of the Special Assessments that might adversely affect the repayment of the Project Advance without the consent of the District or adversely affect the payment of the Project Costs without the consent of the District; and

WHEREAS, the Treasurer has agreed to remit to the District, in the event of a default under the Cooperative Agreement, as set forth in this Agreement, amounts collected by the Treasurer and relating to the Special Assessments, including without limitation amounts collected by the Treasurer as a result of foreclosure of the lien of the Special Assessments on the Assessed Lands and including amounts received from a sale of Tax Certificates pursuant to the Delinquent Tax Lien Sale Act;

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants contained herein and other good and valuable consideration, the receipt of which is hereby acknowledged, and desiring to be legally bound hereunder, the Parties hereto covenant and agree as follows:

Section 1. Special Assessments.

1.1 The Owner, prior to the execution and delivery of this Agreement, signed and delivered to the Clerk of the Council the Petition for the acquisition, installation, equipping, and improvement of the Project and evidencing the agreement of the Owner to the levy of the Special Assessments as security for the Project Advance. The Owner agrees that its delivery of the Petition and the requests and agreements made therein are irrevocable and that the Parties hereto have acted and will act in reliance on the agreements contained in that Petition. The City shall take all necessary actions required by Ohio Revised Code Chapter 727 to levy and collect the Special Assessments on the Assessed Lands. On _____, 2024 the Council passed Ordinance No. _____ pursuant to the requirements of Ohio Revised Code Section 727.25 for the levying of the Special Assessments (the "Assessing Ordinance"). The Clerk of the Council certified (or caused to be certified) the Assessing Ordinance to the County Auditor as set forth in the Petition.

1.2 The City shall cause the Special Assessments, as set forth in the Assessment Schedule attached to the Petition, to be certified to the County Auditor on or before the last date for the certification of special assessments to the County Auditor of each year during which the Special Assessments are to be levied pursuant to the Assessment Schedule. The Parties acknowledge that pursuant to such certification, the Special Assessments are expected to be collected and paid to the City pursuant to Ohio Revised Code Chapters 319, 321, 323, and 727.

1.3 In the event the Project Advance is prepaid or redeemed in accordance with the Cooperative Agreement, in whole or in part, the Parties shall, in cooperation with the Owner, and to the extent permitted by law, cause the aggregate lien of the Special Assessments to be no greater than the remaining principal of and interest and premium, if any, on the Project Advance through maturity.

1.4 To the extent that the Owner prepays any of the required payments to the DFA pursuant to the Cooperative Agreement, then the amounts of the Special Assessments shall be reduced in accordance with the appropriate Assessment Schedule attached to the Petition.

1.5 To facilitate the repayment of the Project Advance, the City, pursuant to Section 4.1 of the Cooperative Agreement, assigned to the DFA all of its right, title, and interest in and to the Special Assessments, the funds of the City established to collect and hold the Special Assessments, and any other property received or to be received from the City under the Cooperative Agreement. The Treasurer, the City, the District, the Owner, and the DFA each hereby acknowledges, agrees with, and consents to those assignments.

1.6 Notwithstanding anything in this Agreement to the contrary, the Treasurer's obligations under this Agreement are not and shall not be secured by an obligation or pledge of any moneys raised by taxation. The Treasurer's obligations shall be limited to the moneys levied, collected, and received in respect of the Special Assessments and any County-imposed collection fees, charges, or penalties. The Treasurer's obligations under this Agreement do not and shall not represent or constitute a debt or pledge of the faith and credit or taxing power of the County.

1.7 Notwithstanding anything in this Agreement to the contrary, the City's obligations under this Agreement are not and shall not be secured by an obligation or pledge of any moneys raised by taxation. The City's obligation under this Agreement shall be limited to any moneys received from the County in respect of the Special Assessments and any County-imposed collection fees, charges, or penalties. The City's obligations under this Agreement do not and shall not represent or constitute a debt or pledge of the faith and credit or taxing power of the City.

Section 2. Foreclosure Process.

2.1 The Treasurer, the City, the DFA, and the Owner each acknowledge that the Special Assessments are to secure payments relating to the Project Advance, including the Project Costs and other amounts as provided under the Cooperative Agreement. The Treasurer agrees that so long as the Project Advance is outstanding and the Project Costs and other amounts under the Cooperative Agreement are secured, at least in part, by the revenues derived from the Special

Assessments, the Treasurer will, upon receipt of written notice from the DFA or the District (with a copy to the other of the DFA or the District, and to the Owner and the City) that an Event of Default (solely as described under Section 7.1(a) of the Cooperative Agreement) has occurred and is continuing and which notice requests the Treasurer to foreclose on the lien of the Special Assessments, file and diligently prosecute a foreclosure action against the Assessed Lands following the procedures for lien foreclosures established in Ohio Revised Code Section 323.25 and related sections, but not earlier than the sixtieth day following receipt by the Treasurer of the delinquent land list certifying that the Special Assessments are delinquent. The foreclosure action shall be to collect all Special Assessments then due and owing on the Assessed Lands in accordance with the Petition. Without the prior written consent of the District and the DFA, the Treasurer will not confirm the sale of the Assessed Lands for an amount less than 100% of the amount of the Special Assessments and other general real estate taxes, payments in lieu of taxes, and assessments then due and owing with respect to the Assessed Lands, as shall be certified by the District to the Treasurer pursuant to the records of the Treasurer, except and unless the Assessed Lands become forfeited land subject to Ohio Revised Code Chapter 5723. All fees and expenses of the Treasurer in collecting the Special Assessments are to be included and paid for by the Owner. All fees and expenses of the Treasurer in collecting the Special Assessments, including other general real estate taxes, payments in lieu of taxes, and assessments then due and owing are to be included and paid for by the Owner prior to any such amounts being paid to the City and to other affected taxing jurisdictions and special districts. The City, DFA, and Owner understand and agree that the failure of the Treasurer to obtain any consent under Section 2.1 shall not create a cause for action against the Treasurer, the Medina County Board of County Commissioners, or Medina County, nor shall it subject the Treasurer, the Medina County Board of County Commissioners, or Medina County to liability for any difference between the foreclosure price and the amount of the delinquent Special Assessments. Further, nothing in this Agreement shall be construed to limit any immunity to which the Treasurer may be entitled pursuant to Chapter 2744 of the Ohio Revised Code.

2.2 The Treasurer hereby acknowledges that the City has assigned all of its right, title, and interest in and to the Special Assessments to the DFA, and that the District has assigned all of its right, title, and interest it may have in and to the Special Assessments to the DFA, and the Treasurer hereby agrees that so long as the Project Advance is outstanding and the Project Costs and other amounts under the Cooperative Agreement are secured, at least in part, by the revenues derived from the Special Assessments, the Treasurer will not sell or negotiate the sale of one or more Tax Certificates related to the Assessed Lands for an amount less than 100% of the amount levied and certified for collection without the prior written consent of the District and the DFA.

2.3 The Treasurer hereby covenants and agrees that if any of the general real estate taxes, payments in lieu of taxes, assessments, including the Special Assessments, governmental charges, or penalties and interest on the Assessed Lands are delinquent and the Delinquent Tax Lien Sale Act would permit the Treasurer to negotiate the sale of Tax Certificates with respect thereto, the Treasurer will, prior to giving any notice under the Delinquent Tax Lien Sale Act of a sale of Tax Certificates with respect to the Assessed Lands, give written notice to the

District and the DFA regarding the same and state therein whether the Treasurer reasonably anticipates receiving no less than 100% of the general real estate taxes, payments in lieu of taxes, and assessments, including the Special Assessments, penalties and interest, originally levied and certified for collection plus other charges, including attorney's fees, or whether the Treasurer reasonably expects to receive less than 100% of the general real estate taxes, payments in lieu of taxes, and assessments, including the Special Assessments, penalties and interest, levied and certified for collection plus other charges, including attorney's fees, and in accordance with this Agreement is requesting the consent of the District and the DFA for such a sale.

2.4 The Treasurer agrees, on behalf of the County, not to utilize the authority contained in Ohio Revised Code Chapter 5722 to transfer any of the Assessed Lands to the county land reutilization corporation, to sell or convey any of the Assessed Lands to any political subdivision under the authority contained in Ohio Revised Code Chapter 5722, or to clear the liens and encumbrances applicable to the Assessed Lands under the authority contained in Ohio Revised Code Chapter 5722 without the express written consent of the District and the DFA.

2.5 Nothing in this Agreement shall, or shall be construed to, prevent the Treasurer from selling one or more Tax Certificates with respect to the Assessed Lands to a third party without the consent of the District if the price received for the Tax Certificate or Tax Certificates equals or exceeds 100% of the delinquent general real estate taxes, assessments, including the Special Assessments, penalties and interest on the Assessed Lands outstanding against the Assessed Lands at the time of such sale.

2.6 The District and the DFA each hereby agrees that upon written notice from the Treasurer pursuant to Section 2.1 of this Agreement, it, within 30 days of receipt of the Treasurer's notice, shall give a written response to the Treasurer indicating therein whether it consents to the request for sale of a Tax Certificate or Tax Certificates.

2.7 Delay or failure of the District or the DFA to give a written response within 30 days of receipt of such notice shall be construed to be a consent to such request or to be a waiver of the right to give such consent. No consent or refusal thereof by the District or the DFA in response to a request by the Treasurer shall extend to or affect any subsequent request of the Treasurer or shall impair the rights of the District or the DFA with respect to any such subsequent request.

2.8 So long as the Project Costs are outstanding, the Treasurer hereby covenants and agrees (a) to remit to the DFA, as appropriate and as provided for herein, not more than 30 days from the date of collection by the Treasurer, any amounts collected with respect to the Assessed Lands as payment for delinquent Special Assessments, including any amounts collected from Tax Certificates; and (b) to the extent the Treasurer seeks and is appointed as receiver for the Assessed Lands, as provided for in Chapter 323 of the Revised Code, after payment of reasonable fees and expenses of the Treasurer, all amounts collected by the Treasurer, as receiver for the Assessed Lands and collected as a result of any delinquent Special Assessments, shall be remitted to the DFA.

Section 3. Indemnification by Owner

3.1 The Owner hereby releases the District, the City, the Treasurer, the DFA, and their respective officers, directors, and employees (the "Indemnified Parties"), from, agrees that the Indemnified Parties shall not be liable for, and indemnifies the Indemnified Parties against, all liabilities, claims, costs, and expenses, including out-of-pocket and incidental expenses and legal fees, imposed upon, incurred, or asserted against Indemnified Parties, on account of: (i) any loss or damage to property or injury to or death of or loss by any person that may be occasioned by any cause whatsoever pertaining to the acquisition, installation, equipping, improvement, maintenance, operation, and use of the Project; (ii) any breach or default on the part of the Owner in the performance of any covenant, obligation, or agreement of the Owner under the Cooperative Agreement, or arising from any act or failure to act by the Owner, or any of the Owner's agents, contractors, servants, employees, or licensees; (iii) the Owner's failure to comply with any requirement of this Agreement; (iv) the efforts of the City and the Treasurer to collect Special Assessments; (v) any legal costs or out-of-pocket costs incurred by the District specifically related to additional approvals or actions that may be required by the District arising after the date of the Cooperative Agreement (and in the case of such legal costs or out-of-pocket costs, agrees to pay such costs directly to the District); and (vi) any claim, action or proceeding brought with respect to any matter set forth in clause (i), (ii), (iii), (iv), or (v) above, provided, however that the Owner shall not indemnify the Indemnified Parties as provided above to the extent that any liability, claim, cost, or expenses arises out of or results from the gross negligence, willful misconduct, or breach of this Agreement or the Cooperative Agreement of the Indemnified Parties.

The undersigned, _____, having been duly cautioned and sworn, deposes and states as follows:

The undersigned is the _____ of Legacy Hotel of Medina, LLC, an Ohio limited liability company (the "Owner").

This Owner Consent, dated as of _____, 2024, is given by the Owner pursuant to the Special Assessment Agreement dated as of _____, 2024 (the "Agreement") by and among the County Treasurer of Medina County, Ohio (the "Treasurer"), the City of Medina, Ohio (the "City"), the City of Medina Energy Special Improvement District, Inc. dba Medina County Energy Improvement District (the "District"), the Development Finance Authority of Summit County (together with its permitted successors and assigns under the Agreement, the "Investor") and the Owner. The Agreement provides for an expedited foreclosure process with respect to certain Special Assessments which have been levied on the Assessed Lands by the City in order to pay the costs of special energy improvement projects under Ohio Revised Code Chapter 1710. The Assessed Lands are described in Exhibit 1 to this Owner Consent, and the Special Assessments are disclosed on Exhibit 2 to this consent.

The Agreement further provides that if an event of default occurs and is continuing with respect to a required semi-annual payment of Special Assessments or an "Event of Default" (as that term is defined in the Cooperative Agreement, as appropriate) under the Cooperative Agreement occurs and is continuing, the Treasurer will pursue an expedited foreclosure of the lien of the Special Assessments, all as provided in the Agreement.
