PURCHASE AGREEMENT

This Purchase Agreement ("**Agreement**") is entered into as of the 16th day of December, 2019 (the "**Effective Date**") by and between the **City of Medina, Ohio**, an Ohio municipal corporation ("**Purchaser**") and **Leon Brown and Ella Mae Brown**, ("**Seller**"), effective on the Effective Date.

RECITALS

A. Seller owns a parcel of land known as 364 Foundry Street, Medina, Ohio; Medina County Permanent Parcel No. 028-19A-16-010; containing approximately 0.1600 acres of land (the "**Land**"), and the buildings, fixtures, and improvements, if any, located on the Land.

B. The Land is specifically described in **Exhibit A** attached to this Agreement.

C. Purchaser wishes to purchase the Land, improvements located on the Land and all other property rights and appurtenances thereto, including without limitation all easements, rights, hereditaments and interests appurtenant thereto (collectively called the "**Property**").

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. **Purchase and Sale.** Subject to the provisions hereof, Seller shall sell to Purchaser and Purchaser shall purchase from Seller, for the consideration and upon the terms provided in this Agreement, the Property, together with all easements, rights and appurtenances to the Property, free and clear of all liens, encumbrances, liabilities, obligations, rights, and third-party interests except the real property taxes and assessments for the year of conveyance and thereafter, and except as otherwise provided in this Agreement. Otherwise Purchaser hereby purchases the property in "as-is/where is" condition.

2. **Purchase Price.** The purchase price for the Property will be Eleven Thousand Five Hundred Dollars (\$ 11,500.00) (the "**Purchase Price**") payable as follows:

(a) Eleven Thousand Five Hundred Dollars (\$11,500.00) deposited by Purchaser with Stewart Title Agency, 4015 Medina Road, Suite 70, Medina, Ohio 44256 (the "**Title Company**") at closing.

3. **Inspection by Purchaser.** After the Effective Date of this Agreement and continuing until Closing, Purchaser and Purchaser's agents, employees, consultants and permittees may enter upon the Property for the purpose of inspecting, making environmental audits (including, if desired by Purchaser, Phase I and II environmental studies), and conducting other due diligence with respect to the Property, including, but not limited to, inspecting: (i) the physical condition of the Property; (ii) the status of compliance with laws, regulations or ordinances issued or imposed by any governmental or public authority having jurisdiction over the Property; (iii) the availability of utilities, (iv) zoning certification; and (v) the presence or absence of hazardous substances.

4. **Title Insurance.** Seller will cause the Title Company to furnish to Purchaser, a current commitment for title insurance within fifteen (15) calendar days after the Effective Date,

together with legible copies of all documents listed as exceptions in the commitment, and a current certificate of taxes due, on the current standard form of 2006 ALTA Owners Title Insurance Policy (the "**Commitment**"). Seller will deliver or cause to be delivered to Purchaser promptly after the Closing, the owner's title insurance policy issued by the Title Company insuring Purchaser's title to the Property consistent with the Commitment (the "**Title Policy**"), and subject to the matters approved by Purchaser in accordance with paragraph 5 below (the "**Permitted Exceptions**"). The parties agree to equally divide the cost of a title insurance policy.

5. **Title Objections.** Within fourteen calendar days after Purchaser receives the Commitment, Purchaser shall notify Seller in writing of any objections to any items identified in the Commitment. Seller will have fourteen calendar days after it receives Purchaser's written objections ("**Seller's Cure Period**") to notify Purchaser in writing of those objections that Seller is willing to cure, if any, or to advise Purchaser that Seller does not intend to cure such items. If Seller fails to cure to the satisfaction of Purchaser any written objection by Purchaser of which Seller has been given notice in accordance with this paragraph, or elects not to cure, then Purchaser may elect, as its sole remedy to either (a) waive the objection by written notice to Seller within ten business days after Seller's Cure Period and proceed to Closing, or (b) terminate this Agreement by written notice to Seller, in which case the parties will be released from all obligations hereunder. Purchaser will have seven (7) calendar days after receipt of any amendment to the Commitment to object to any changes in the same fashion as objections to the initial Commitment under this paragraph. Any items in the Commitment that Purchaser does not object to, or which Purchaser subsequently waives, will be deemed approved by Purchaser. Purchaser hereby acknowledges that the following exceptions to title are Permitted Exceptions and Purchaser may not object to them: (i) those items created by Purchaser or which Purchaser has agreed to assume in its sole discretion; (ii) general and special real estate taxes and assessments that are a lien on the date of Closing, but are not yet due and payable; (iii) covenants, conditions, restrictions, agreements and easements of record that do not interfere with Purchaser's intended use of the Property; and (iv) legal highways. The foregoing notwithstanding, except for the Permitted Exceptions, all mortgages, liens and other encumbrances of ascertainable amounts incurred by, for, or on behalf of Seller and encumbering the Property shall be paid by Seller at or before Closing.

6. **Title at Closing.** At Closing, Seller will convey to Purchaser fee simple title to the Property, free of all liens other than the Permitted Exceptions, by general warranty deed. Seller will deliver to Purchaser any assignments, transfers, and other documents as reasonably requested by Purchaser to fully vest Purchaser with such title to the Property and all appurtenances, hereditaments, rights and interests in connection with the Property.

7. **Closing.** The closing of the transactions contemplated under this Agreement (the "**Closing**") will take place on the business day as agreed by Purchaser and Seller on or after which all conditions to the obligations of the parties to consummate the transactions contemplated have been satisfied or waived (other than conditions with respect to actions the respective parties will take at the Closing itself). The Closing will be held at the offices of the Title Company. The following will occur at the Closing:

(a) **Deed.** Seller will deliver to Purchaser (or its nominee) a general warranty deed to the Property subject only to the Permitted Exceptions.

(b) **Closing Certificate.** Seller will deliver to Purchaser the certificate required by paragraph 10(b)(vi) below.

(c) **Purchase Price.** Purchaser will deliver to the Title Company the Purchase Price due at Closing, and the Title Company will pay to Seller the Purchase Price, as adjusted under this Agreement.

(d) **Certificate of Non-Foreign Status.** Seller will deliver a certificate of non-foreign status pursuant to Section 1445 of the Internal Revenue Code of 1986, as amended.

(e) **Settlement Statements.** Seller and Purchaser will execute and deliver the appropriate settlement and closing statements.

(f) **Other Documents.** Each party will deliver to the other party and the Title Company such agreements, assignments, conveyances, instruments, documents, certificates and the like as may be necessary or helpful to carry out its obligations under this Agreement.

8. **Prorations and Closing Costs.**

(a) **Taxes.** Real property taxes for the year of the Closing will be apportioned to the date of Closing based upon the most recent levy and assessment. Such apportionment will be a final settlement between the parties. If, at the time of Closing, the Property is subject to or affected by any assessment payable in installments of which the first installment is a charge or has been paid, all remaining installments will be paid by Seller at Closing.

(b) **Transaction Costs.**

(i) Seller will pay the cost of title examination, conveyance fees and transfer taxes, and the recording fee for the general warranty deed.

(ii) Purchaser and Seller will each pay one-half of the cost of an Owners Fee Policy and any endorsements to the Title Policy; provided that Seller shall pay for any special endorsements as may be supplied by Seller in cure of title objections in accordance with paragraph 5 above.

(iii) Escrow fees of the Title Company will be divided equally between Seller and Purchaser. Each party will be responsible for payment of its own attorneys' fees.

9. **Seller's Use of the Property Before Closing Date.** From and after the Effective Date of this Agreement:

(a) Seller will operate and maintain the property in a manner consistent with past practice and in the ordinary course of business.

(b) Seller will not grant or convey any easement, lease, lien or other encumbrance which cannot be released at Closing, or any other legal or beneficial interest in the Property without the prior written consent of Purchaser.

(c) Seller will not violate any law, ordinance, rule or regulations affecting the Property.

(d) Seller will preserve intact and unimpaired the condition of and any and all easements, appurtenances, privileges and licenses in favor of the Property.

(e) Seller will pay when due all payments on any liens or encumbrances presently affecting the Property and any and all taxes, assessments and levies in respect of the Property through the date of Closing.

(f) Prior to closing, Seller will remove all of their personal property from the premises.

10. **Closing Conditions.**

(a) **Conditions to Seller's Obligations.** Seller's obligations under this Agreement to perform the Closing are expressly conditioned upon the following:

(i) Seller receives the Purchase Price in cash or other immediately available funds; and

(ii) Purchaser delivers to Escrow Agent all closing documents required to be executed and delivered by Purchaser pursuant to this Agreement, or as may be reasonably requested by the Title Company.

(b) **Conditions to Purchaser's Obligations.** Purchaser's obligations under this Agreement to perform the Closing are expressly conditioned upon the following:

(i) **Title Review.** Purchaser's inspection, review and approval or deemed approval of the Commitment in accordance with paragraph 4 above.

(ii) **Title Policy.** Purchaser shall have received an irrevocable commitment of the Title Company to issue the Title Policy to Purchaser.

(iii) **Inspection of the Property.** Purchaser is satisfied with Purchaser's inspection and review of the physical condition of the Property in accordance with paragraph 3 above.

(iv) **Governmental Approvals.** Purchaser has obtained all governmental approvals and permits necessary for the development and operation of the Property as contemplated by Purchaser,

(v) **Third Party Agreements.** Seller has terminated all management and other contracts affecting the Property.

(vi) **Seller's Warranties.** Seller's representations and warranties contained in paragraph 13 below are true and correct as if made at the time of Closing and Seller delivers to Purchaser at the Closing a certificate to such effect.

(vii) **No Material Adverse Change.** No material adverse change from the date of this Agreement to the date of Closing in the condition or economics related to the Property.

11. **Approval or Waiver of Conditions.** The conditions set forth in paragraph 10(b) are for the benefit of Purchaser. Purchaser, in its sole discretion, may waive such conditions without affecting its rights hereunder. If Purchaser notifies Seller on or before the date specified for notice to Seller ("**Notice Date**") that Purchaser is dissatisfied with any of the conditions set forth in paragraph 10(b), Seller will have a period of 10 business days after the Notice Date to cure the condition with which Purchaser is dissatisfied. If Seller fails to, or elects in its sole discretion not to, so cure, unless the parties otherwise agree in writing, the parties will be released from all obligations hereunder.

12. **Condemnation.**

(a) If notice is received by Seller before the Closing that any portion of the Property will be taken in condemnation or pursuant to the right of eminent domain, or if any such proceeding (judicial, administrative or otherwise) is commenced after the Effective Date hereof, there will be no disposition or settlement of such condemnation or eminent domain proceedings without the prior written consent of Purchaser, such consent may not be unreasonably withheld, conditioned or delayed, and (a) this Agreement, at the option of Purchaser, may be declared null and void; or (b) Purchaser may close the purchase of the Property without any abatement in Purchase Price and any award or proceeds received from such condemnation or right of eminent domain proceeding will be assigned to Purchaser, and Seller will pay to Purchaser any funds received by Seller in connection with such condemnation.

13. **Seller's Warranties.** Seller hereby represents, warrants and agrees that as of the Effective Date, except as may be caused or created by Purchaser:

(a) Seller has the capacity and authority to execute this Agreement and perform the obligations of Seller under this Agreement. All actions necessary to authorize the execution, delivery and performance of this Agreement by Seller have been taken and such action has not been rescinded or modified. The execution of this Agreement and the consummation of the transactions contemplated hereby constitute the valid and binding obligation of Seller in accordance with the terms of this Agreement except as such obligation may be limited by bankruptcy, insolvency or other similar laws affecting the rights of creditors generally and by general principles of equity.

(b) Seller is the sole owner of, and has good and indefeasible title to the Property, subject only to the Permitted Exceptions. Seller has not entered into any

agreement to lease, sell, mortgage, or otherwise encumber or dispose of its interest in the Property or any part thereof, except for this Agreement.

(c) Seller is not a "foreign Person" within the meaning of Section 1445 of the Internal Revenue Code.

(d) Performance of this Agreement will not result in any breach of, or constitute any default under, any agreement or other instrument to which Seller is a party or by which Seller is bound.

(e) There is no pending or, to Seller's knowledge, threatened litigation affecting or related to the Property or Seller's interest in the Property or that would affect the transactions contemplated by this Agreement. There are no condemnation, environmental, zoning or other land use proceedings pending or, to Seller's knowledge, contemplated which would affect all or any part of the Property.

(f) Seller has not received any notice or order from any governmental authority in respect of any proposed change in the valuation of the Property for personal property or real estate tax purposes from that assessed for the current assessment period nor does Seller know of any action or proceeding designed to levy any special assessments against the Property. Seller has not been notified of possible future improvements by any public authority, any part of the cost of which would or might be assessed against the Property or of any contemplated future assessments of any kind. No tax complaint, tax certiorari or similar proceedings seeking an increase or reduction in value for real estate taxes are pending, whether on behalf of Seller or otherwise, in respect of the Property.

(g) Seller has complied in all material respects with all applicable laws, ordinances, orders, rules, regulations, licenses, permits and requirements of all federal, state and municipal governments, courts, departments, commissions, boards and offices which may be applicable to the Property. (iii) "Notice" means any summons, citation, directive, order, claim, litigation, pleading, investigation, proceeding, judgment, letter or any other written or oral communication from the United States Environmental Protection Agency, the department or agency of the state where the Property is located which deals primarily with protection of the environment, or any other federal, state or local agency or authority, or any other entity or any individual, concerning any intentional or unintentional act or omission which has resulted in or which may result in the release of any Hazardous Materials into the environment including, the surface water, groundwater, soil, air or other environmental media, or other violation or alleged violation of environmental laws and shall expressly include the imposition of any lien pursuant to any federal, state or local environmental laws, ordinances or regulations.

(c) Performance of this Agreement will not result in any breach of, or constitute any default under, any agreement or other instrument to which Purchaser is a party or which Purchaser is bound.

15. **Default.**

(a) **Time.** Time is of the essence of this Agreement and of the performance of all obligations, covenants and agreements pursuant to this Agreement.

(b) **Purchaser's Default.** If Purchaser fails to perform any of Purchaser's obligations under this Agreement (other than Purchaser's obligation to close the purchase of the Property upon performance by Seller, as to which no notice need be given and no grace period will be allowed), Seller will give written notice to Purchaser of such default. Purchaser will have 10 days following receipt of such notice to cure such default, or, if such default is not a monetary default and cannot reasonably be cured in 10 days with the exercise of reasonable diligence, such longer period as may be reasonably necessary, to cure such default within the exercise of reasonable diligence, but not to exceed 30 days following receipt of such notice ("**Purchaser's Cure Period**"). If Purchaser fails to cure such default during Purchaser's Cure Period, before the cure of the default, Seller may terminate this Agreement.

If Seller fails to cure any such default during Seller's Cure Period, Purchaser may either (i) extend the Closing date to permit Seller to cure the default, or (ii) before the cure of the default, treat this Agreement as being in full force and effect and pursue any legal or equitable remedy, including specific

performance, or (iii) before the cure of the default, terminate this Agreement, in which case, the Purchaser may pursue any legal or equitable remedy.
