

SECTION 31.14 SICK LEAVE.

(A) Each full-time City employee shall be entitled, for each completed eighty (80) hours of service, sick leave of 4.615 hours based on the employee's regular hourly wage. Unused sick leave shall be cumulative without limit.

(B) Employees may use such sick leave, upon approval of the responsible administrative officer of the employing unit, for absence due to personal illness, pregnancy, injury, exposure to contagious disease which could be communicated to other employees; and for illness or injury in the employee's immediate family. For purposes of this Article, immediate family is defined as parent, mother-in-law, father-in-law, sister, brother, spouse, child, or stepchild.

(C) A full-time employee may also use three days of such sick leave, upon approval of the responsible administrative officer of the employing unit, for each death in their immediate family. Immediate family shall be defined to include the employee's spouse, children, mother, father, grandmother, grandfather, brother, sister, mother-in-law, father-in-law, daughter-in-law, son-in-law. A death certificate or obituary notice in the newspaper is necessary for payment. The City may approve two additional sick leave days off for funeral leave for funerals or other legitimate reasons related to the death of an employee's immediate family member. (Ord. 209-21)

(D) Employees unable to report for any of the reasons in Sections B and C, must report their anticipated absence to the department supervisor one-half hour before the start of their shift on the first day of absence and each succeeding day of absence, unless other arrangements are authorized by the supervisor. Full-time employees who fail to provide the required one-half hour notice will not be paid for the time off.

(E) When sick leave is used, it shall be deducted from the employee's accumulated sick leave credit on the basis of one (1) hour for every one (1) hour of absence from previously scheduled work.

(F) All employees who are absent for three (3) or more consecutive days may be requested to submit a statement from a licensed physician concerning their illness (or illness of those being cared for). In addition, any abuse or patterned use of sick leave may be just and sufficient cause for disciplinary action. The City may require a physician's verification for each occurrence of sick leave of employees who have demonstrated a patterned use or abuse of sick leave.

Patterned use or abuse of sick leave includes regularly using sick leave before or after weekends, before or after holidays, before or after normal days off, on certain days of the week, in an excessive number of individual sick days off compared to the average number of sick leave days off for the department as a whole, use immediately after sick leave is accrued, or in a manner inconsistent with the request for sick leave, e.g. personal reasons during the time the employee would have been scheduled to work.

(G) Sick leave time off is for the employee's recuperation from illness or activity directly related to recuperation, e.g., purchase of medicine, or doctor's visits, during an employee's normal working

hours. It also includes similar activity for the care of a person defined in Section B above. Employees on sick leave or taking care of someone for appropriate sick leave purposes shall not engage in any personal or recreational activity during the time they would have been scheduled to work. Sick leave for a doctor's visit shall be used for the time necessary for such visit and related visits to obtain prescription drugs or prescribed therapy. Sick leave abuse will be analyzed based on an employee's conduct during normal working hours while on sick leave.

(H) Any non-union employee shall be permitted to convert two (2) days of sick leave to two (2) days of stress time for each six (6) month period during which the employee does not utilize sick leave. Six month periods shall be defined as January 1 through June 30 and July 1 through December 31. Taking a stress day shall not constitute utilizing sick leave under this section, but hours are deducted from sick time balance. *The stress days under this section must be utilized within six months of when they are earned, and shall only be taken with the advance approval of the supervisor or department head, except where the day is used in an emergency situation.*

(I) The previously accumulated sick leave of an employee who has been separated from the City's service may be placed to his credit upon his re-employment in the City service, provided that such re-employment takes place within ten (10) years of the date on which the employee was last terminated from public service. (The responsible administrative officer of the employing unit may require the employee to furnish satisfactory affidavit that this absence was caused by illness due to any of the causes mentioned in this section.)

(Ord. 104-17, Ord. 102-20)

(J) In addition to Section (A) above, each City employee shall be entitled to sick leave of thirty (30) days annually with pay, upon approval of the responsible administrative officer of the employing unit, for absence due to injury or occupational disease, where such injury has occurred or occupational disease has been contracted in the course of employment with the City of Medina, provided the same were not purposely self-inflicted. Unused sick leave under this section shall not be cumulative. The responsible administrative officer of the employing unit may require the employee to furnish a satisfactory affidavit that this absence was caused by injury or illness while working on the job for the City. The additional sick leave provided in this section is to be used only after accumulated sick leave as provided elsewhere in this Article has been depleted. (Ord. 102-20)

(K) Wage Continuation Policy. (see Exhibit A attached) (Ord. 182-05)

(L) A City employee providing two-weeks notification and continuing to work that two-week period, may elect, at the time of retirement and/or resignation from active service with the City and with ten (10) or more years of full-time service with the City, to be paid in cash for 37.5% of the value of his accrued but unused sick leave credit. Such payment shall be based on the employee's rate of pay at the time of retirement. Payment for sick leave credit on this basis shall be considered to eliminate all sick leave credit accrued by the employee at the time. Such payment shall be made only once to any employee. The maximum payment that may be made under this section shall be four hundred (400) hours. (Ord. 97-14, Ord. 41-21)

In the event of the death of a full time employee, the estate may request payment for 37.5% of the value of the accrued but unused sick leave credit as described above provided the employee has five (5) or more years of service with the City. The maximum payment that may be made under this section shall be four hundred hours (400 hours). (Ord. 97-14)

(M) A new employee who has accumulated sick leave with another political entity shall be allowed to transfer a maximum number of six hundred hours (600 hours) of unused sick leave upon employment with the City.

(N) Sick Leave Donation Program. The Sick Leave Donation Program is established to allow City employees to donate sick days to fellow employees who have been injured on duty or have a prolonged non-duty related serious illness or injury, or an immediate family member suffering from a serious illness or injury that requires the employee's care during normal working hours, that have exhausted all of the injured/ill employee's sick time, accumulated compensatory time, and vacation time.

Whenever an employee, or someone on their behalf, requests sick leave donation from other employees, the request will be forwarded in writing to the next Board of Control meeting for review. The Board of Control shall review:

- 1) That the employee, or immediate family member, is suffering from a serious illness or injury, verified by a doctor/physician, that will require the employee to be out of work for at least thirty work days;
- 2) That the requesting employee has depleted, or will deplete, all available leave time, including sick time, vacation time, and accumulated compensatory time; and
- 3) That the requesting employee has not received a sick leave donation in the past twelve (12) months;
- 4) Upon review of items 1, 2 and 3 above, the Board of Control shall either approve or deny the request for approval to permit donation of sick leave.

If the Board of Control approves the sick leave donation, the following procedure will take place:

- 1) The requesting employee may choose one of the following options for requesting the donations:
 - (a) The requesting employee or designee will personally notify those employees that are requesting donations from. Once notifications are made, the requesting employee will advise the Finance Payroll Clerk in writing of which employees were contacted and the date of the notification. The employees donating the time will have fifteen (15) days after notification to complete a form indicating the willingness to donate to the requesting employee.
 - (b) The Finance Department Payroll Clerk will include, in the next issued pay check, a memo to all employees in the requesting employee's department advising of the serious illness or injury to a City employee and approval of Board of Control to donate sick leave. The memo will include the date by

which sick leave donations must be submitted, but no later than fifteen (15) days after the date of the memo or paycheck.

- (c) The Finance Department Payroll Clerk will include, in the next issued pay check, a memo to all employees advising of the serious illness or injury to a City employee and approval of Board of Control to donate sick leave. The memo will include the date by which sick leave donations must be submitted, but no later than fifteen (15) days after the date of the memo or paycheck.
- 2) Any employee with a sick leave balance of one hundred sixty hours (160) or greater may donate up to eighty (80) hours to the recipient employee, provided the donating employee's sick leave balance does not drop below one hundred twenty (120) hours. All donations are voluntary.
- 3) A form is completed indicating the willingness to donate sick leave hours from donating employee to recipient employee, signed by donating employee and filed with the Finance Department Payroll Clerk.
- 4) All donated sick hours remain with the recipient employee, whether used during the serious illness/injury or not.
- 5) Hours donated are hour per hour, regardless of the donor or recipients hourly rate.
- 6) There will be a cap of one thousand forty (1040) hours that may be donated by employees to a requesting employee within a twelve (12) month period. This will provide six (6) months of additional paid leave.

TERMINATION CONDITIONS

Wage Continuation payments will cease upon any of the following conditions:

1. Attending physician releases employee to return to work.
2. Employee returns to work for another employer.

GENERAL CONDITIONS

In order to prevent administrative delays and wage loss associated with claims compensable by the Bureau of Workers' Compensation, the City of Medina will, in compensable claims, continue to pay wages at the same rate of pay the injured worker was making at the time of injury. This rate will be multiplied by the usual number of scheduled hours per week. The payment of the City of Medina will take the place of payment by the Bureau of Workers' Compensation. Wage Continuation will be made only during period(s) of time that workers' compensation benefits would otherwise be paid by the Bureau. In most cases, payments will immediately commence upon receipt of disability proof and a completed claim application. The payments by the City of Medina will be subject to the same tax withholding requirements as the employee's regular weekly wage.
