

JOB #1104: MEDINA MUNICIPAL COURTHOUSE RENOVATION
RESPONSES TO QUESTIONS RECEIVED FROM RFQ PACKET HOLDERS

1. Question (5/22/24):

Near the end of Section B- Scope of Services, under Construction Services, there is a list of relevant scope of work requirements. Please clarify the intent of Item #5 "Familiarity with utilizing Project Labor Agreements". Is the contractor required to use union labor on this project?

Response (5/23/24):

The intent of this item is to emphasize that state of Ohio prevailing wage rates must be utilized in this project. There is no requirement to use union labor as long as state of Ohio prevailing wage rates are utilized.

The RFQ has been revised to clarify this point. The revised RFQ will be forwarded to all RFQ packet holders via email.
