

WEST SMITH ROAD IMPROVEMENTS  
CITY OF MEDINA JOB No.: 1025  
ODOT PID No: 112540  
FEDERAL PROJECT No.: E200691

**ADDENDUM NO. 1**

---

DATE OF ADDENDUM

**September 12, 2022**

BID OPENING

September 21, 2022 10:00 am

---

This Addendum shall become part of and modify the original Contract Proposal and Specifications for the above referenced project:

**The date for contractor questions has been extended to Wednesday, September 14, 2022 at 5:00pm. Please note, Section 2 - Page 1 of the Proposal Book has been revised to reflect this revision, with a copy of this page attached to this addendum.**

It shall be the Contractor's responsibility to verify all contract modifications and clarifications have been reviewed as posted on the ShareFile website for incorporation into their bid.

**Contractor Acknowledgement:**

Contractor acknowledgement of Addendum **1** and signature required on Page 10 of the Bid Form included within Section 11 of the Contract Documents, to be provided with the bid submission. By signature on Page 10 of the Bid Form, the contractor hereby states that they represent the aforementioned company and have received the complete attached addendum having **2** pages of content that compose the addendum.

**END OF ADDENDUM NO. 1**

## **PROJECT SCOPE**

### **City of Medina Job No. 1025: West Smith Road Improvements**

#### **General**

This project consists of the infrastructure improvements on West Smith Road beginning at STA. 67+97 (East of State Road) to STA. 104+46.81 (at South Court Street). Additional work includes, concrete pavement and sidewalk replacement, concrete drive apron replacement, twin elliptical 29" x 45" concrete culvert replacement, 15" sanitary sewer replacement, 12" ductile iron water main installation, storm sewer replacement, street lighting conduit installation, bridge railing installation, and ADA facility upgrades.

1. Clearing and grubbing of the existing vegetation as required.
2. Sanitary lateral replacement.
3. 29"x45" twin elliptical culvert replacement.
4. 12" waterline installation.
5. Bore and jack operation under the existing railroad crossing.
6. Localized sanitary replacement, including manholes as noted in the plans.
7. The removal and replacement of the existing storm sewers and storm structures.
8. The removal and replacement of existing water services.
9. The removal of the concrete pavement, curb, drive aprons, and sidewalk.
10. Grading as necessary for the installation of the proposed concrete pavement per the plan cross sections.
11. The replacement of the concrete pavement, curb, drive aprons, and sidewalk.
12. The removal and re-installation of the existing signal pole at southwest corner of South Court Street.
13. Final grading, topsoil placement, and seeding of all areas within the construction limits.

#### **Maintenance of Traffic (Truck Detour and Phased Block Closures):**

During construction of the BASE BID, the contractor will be required to close the existing roadway in phases to protect the work zone. Prior to the Pre-Construction Meeting, the Contractor will be required to submit to the City of Medina Engineer's Office a proposed construction schedule. The schedule shall be approved by the City of Medina prior to the start of construction. The Contractor will be required to maintain emergency access to all residents at all times during the construction process.

#### **Copies of Bidding Documents:**

The contract documents, including plans and specifications, are available electronically (at no cost) from the Engineer – American Structurepoint, 600 Superior Avenue East, Suite 2401, Cleveland, Ohio 44114. Bidders are required to register with Rob Chappelle (Email: [rchappelle@structurepoint.com](mailto:rchappelle@structurepoint.com); Phone: 216.302.3694) of American Structurepoint to obtain a ShareFile web access to electronically download the project Contract Documents. Paper documents will not be provided

Complete sets of Bidding Documents must be used in preparing Bids; neither Owner nor Engineer assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of Bidding Documents.

Owner and Engineer in making copies of Bidding Documents available on the above terms do so only for the purpose of obtaining Bids on the Work and do not confer a license or grant for any other use.

#### **Addenda Process and Contract Time:**

The dates for contractor questions and the addenda process are outlined below:

Contractor Questions Due: **Wednesday, September 14, 2022 at 5:00PM**

All questions shall be submitted through a company email request to Rob Chappelle: **[rchappelle@structurepoint.com](mailto:rchappelle@structurepoint.com)**

All questions will be addressed and any Addenda (if required) will be posted to the same project ShareFile site provided to plan holders containing the electronic contract documents.
