National Library Week - April 6 thru 12

National Library Week is an annual celebration highlighting the valuable role libraries, librarians, and library workers play in transforming lives and strengthening our community. The City of Medina salutes our library for being the place to go to learn about everything, the place where creativity abounds and family histories can be traced, and the place where you can make-it and take-it. You can meet authors and look at art displays. It is a place for the young to learn and grow, and a place the mature to find that book they have always wanted to read. It's difficult to keep up with everything going on in that building on the southeast corner of the Square, but you can be sure that whatever is going on is innovative and creative, and is appreciated. Even the newsletter's black cat mascot loves the library!

On average, over 150 cars show up for Medina's Cars and Coffee. It's gotten so large that there is now an overflow lot in Medina City Parking Lot #3. There is music and a raffle for a local non-profit. So grab coffee, pastry or breakfast at Cool Beans Cafe, Circles on the Square, Honey Bee Bakery, Jane's Diner, P.J. Marley's, or The Grind Coffee Bar, and then head over to the Square.
