## Meijer Replaces the Former K-Mart

Since the Medina Super K-Mart closed in 2012, the most often asked question of the city was, "When are you going to find something to replace K-Mart?" The building had become an eyesore and had been condemned. Some would say patience is a virtue, because, although it took another thirteen years, we finally have a brand new building and a brand new store!! Meijer Supercenter, a 159,000 square foot building, officially opened on May 8, at 1150 North Court Street. As part of their opening in the community, Meijer selected five community entities to receive sizeable donations. Selected were: The Children's Center of Medina County, Cups Café, Feeding Medina County, Medina County Habitat, and the Medina City Fire Department. The Medina store is still hiring.
