Employment Opportunities with The Shelly Company

The Shelly Company, Ohio's leading limestone, concrete and asphalt paving company, is seeking Ready Mix Drivers to join their team at 820 West Smith Road. This position safely operates a vehicle designed to manufacture, deliver and unload ready-mixed concrete to customer standard satisfaction. The mixer truck driver receives direction and work assignments from the designated dispatcher/plant manager. Deliveries are made to job sites with difficult and congested delivery unloading points. Work hours vary daily according to customer demand for product and services. Other duties may include truck and plant cleanliness which will require shoveling/ sweeping. A minimum of class B CDL is required. For a complete job description and to apply, click [HERE](#).

Employment Opportunities with Armstrong

Armstrong is a 3rd generation, family-owned and operated company that started providing service to Medina in 1980.

Today, Armstrong provides high-speed fiber internet, video, and phone service to homes and businesses throughout Medina on their 10G fiber-optic network. Armstrong is currently accepting applications for the following positions:

- Broadband Technician 1 - responsible for the installation, troubleshooting, and repair of Internet and telephone services for both residential and commercial customers. This position works with cutting-edge fiber-optic technology in a fast-paced, hands-on environment.
- Sr. Commercial Account Executive - this position is a consultative outside sales position within the Armstrong Business Division. The individual will be responsible for selling commercial level telecommunication products and services including: Advanced Voice, UCaaS, Fiber-based Dedicated Internet and Metro Ethernet, and additional services as assigned within a defined geographic area.
