

## MEDINA TALENT SEARCH

*For Businesses and Job Seekers*

June 25, 2025

### Employment Opportunity with MPACT Collision

MPACT Collision, a growing, I-CAR Gold Certified collision repair provider, is currently seeking an experienced and motivated Collision Body "A" Technician to join their team at 539 North State Road. This is a hands-on role for a skilled technician who thrives on craftsmanship, accuracy, and teamwork in a high-performance environment. As a Collision Body "A" Technician at MPACT Collision, you'll play a key role in restoring vehicles to manufacturer specifications with a focus on safety, structural integrity, and appearance. Work includes but is not limited to:

- **Damage Assessment:** Evaluate structural and cosmetic damage through visual inspection and diagnostic tools; collaborate with estimators to determine scope of repair.
- **Frame & Structural Repairs:** Utilize computerized frame alignment systems and hydraulic equipment to straighten frames and unibody structures.
- **Body Panel Work:** Repair or replace panels including doors, hoods, fenders, and quarter panels using proper welding (MIG/TIG) and fastening techniques.
- **Component Assessment:** Reinstall or align body components such as trim, glass, and hardware to factory fit and finish.

Apply now by submitting your resume one of two ways, 1) through their website [HERE](#), 2) email resume directly to [medina@mpactcollision.com](mailto:medina@mpactcollision.com), and take the next step in a career where your skill, pride, and precision truly make an impact.
