Authorization

Company warrants and represents that (a) Company is duly organized, validly existing, and in good standing in the jurisdiction in which it is organized; (b) there are no provisions of any law, or any certificate of incorporation, certificate of organization, by-laws, operating agreement, partnership agreement, or any agreement of any kind, nature or description binding upon Company which prohibits Company from entering into or performing under this Agreement; (c) Company's execution and performance of this Agreement has been duly authorized; (d) this Agreement is a binding obligation of Company. Bank will be entitled to rely on any written notice or other communication believed by it in good faith to be genuine and to have been signed or authorized by an authorized representative of Company, and any such communication will be deemed to have been authorized by such person.

Use of Account and Cards

Company and its Authorized Users will use the Cards only for business purposes involving the procurement of goods and/or services for Company. Card use for any illegal or illicit purpose or consumer purposes is prohibited. Card use prior to activation or after the expiration date is prohibited. Card use in violation of the preceding prohibitions does not relieve Company from the obligation of paying any outstanding Card balance created.

Company at its sole discretion will assign Cards to its employees, contractors or others having a close business relationship with the Company. However, Company must submit a request to Huntington to create any and all Department Cards. Each Cardholder, or person who has the ability to use a Department Card, becomes an Authorized User. Company shall provide Huntington with Authorized User information, including names and other identifying information, which will be stored and used by Huntington for servicing and regulatory purposes including compliance with the USA PATRIOT ACT. Company is responsible for obtaining any necessary consent for Authorized User information collection, use and disclosure to Huntington. Huntington reserves the right to investigate the identity of any existing or proposed Cardholder by obtaining, verifying, and recording personally identifying information, and may obtain such information from third parties. Huntington reserves the right to refuse, block or revoke any Cardholder access.

Huntington may allow Company to establish virtual Cards under the Account. Cash advances are not permitted on virtual Cards. Credit is advanced on virtual Cards at the direction of an authorized representative of Company in accordance with this Agreement. The Authorized Virtual Card Representative(s) of the Company will be provided with a unique User ID and password that will allow access to the online system (which is a separate system than that described later in this Agreement, which is utilized by the Program Administrator) that is used to create, modify and close virtual Card Accounts.

If Company desires to terminate access to the Account by any Authorized User, it will 1) retrieve and destroy the Card provided to such Authorized User, and 2) notify Huntington. Huntington will have a reasonable amount of time to act on this request. Termination of Card access does not relieve Company from the obligation of paying any outstanding Card balance created before Card access termination. Company will establish rules and procedures for its employees' use of Cards to guard against fraudulent use and to assure Cards are used only for business purposes and not any illegal or illicit purpose.

An Authorized User may sign a sales draft presented by the merchant which is processed by the merchant's financial institution; provided, however, that the absence of a sales draft and/or failure to sign a sales draft shall not relieve the Company of its obligations to pay any outstanding balance charged against the Account. Merchants may be required to request an authorization from Huntington before completing a transaction. If Company advises Huntington of its desire to restrict a certain type of transaction(s) identified by Merchant Category Code(s), Huntington will take commercially reasonable steps to assure that these types of transactions are not authorized. However, Huntington will not be liable

if a merchant nonetheless accepts a Card for unauthorized transactions, or does not request an authorization at all. Huntington reserves the right to deny the authorization of any transaction based on suspicion of fraudulent activity, unauthorized use, illicit or illegal use, or for any other reason. Transactions will not be authorized if any third party data processor is not online or is otherwise not operational. Huntington is not liable for failure to authorize a transaction for any reason.

Foreign transactions will be added to the outstanding balance in US Dollars. If a transaction occurs in a currency other than US Dollars, the Card networks will convert the transaction into US Dollars using their currency conversion procedures. Foreign transactions may also be subject to fees as detailed in the Fee Schedule.

Card access may include the ability to access cash via a teller in a financial institution branch or ATM withdrawal. Cash advances may also be subject to fees as detailed in the Fee Schedule. Huntington is not responsible for unauthorized cash advances. Huntington may limit the amount of the credit line that can be accessed in cash. Company has ability to establish cash advances per card - this can be set at \$0.

Company promises to pay the outstanding balance, including any applicable fees, in full on the due date set forth on each billing statement. Fees are detailed in the Fee Schedule. If any payment is made after the statement due date, or if any amount remains outstanding after the statement due date, Company will be charged a Late Fee per the Fee Schedule.

Credit Limit and Liability; Pricing

Company will be assigned a credit limit for the Account. Company at its sole discretion may assign separate credit limits to each Card including virtual Cards. At no time will the aggregate total of all outstanding purchases, cash advances, finance charges, and fees on all Cards exceed the Account credit limit. If the aggregate balance should exceed the Account credit limit, Huntington may demand immediate payment of any amount in excess of the Account credit limit and/or assess an overlimit fee as detailed in the Fee Schedule.

Huntington will process and settle Card transactions on behalf of Company during the billing cycle. Huntington will provide an Account billing statement at the end of each billing cycle. The outstanding balance is due in full on the due date noted on the billing statement. If Huntington or Company terminates this Agreement, the outstanding balance becomes immediately due and payable.

Company must maintain a deposit Account in good standing with Huntington. Company agrees to make payment in full for any outstanding Account balance by the due date noted on each billing statement. Unless Company notifies Huntington that it will tender payment via another method, Huntington will debit the deposit Account each month, on the due date, for the Account balance. If there are insufficient funds in any such deposit Account, Company is still responsible for paying the entire amount of outstanding balance on the Account by due date indicated on the statement.

Rebates

Huntington may offer rebate Programs to Company. The details of any rebate Program will be presented to Company in an addendum to this Agreement.

Online Program Administration

Company will be provided with an online interface in order to manage the Account, including ordering and assigning Cards, setting and changing individual Card limits, activating Cards, setting and changing authorized merchant category codes, restricting Card access and blocking Cards, and viewing transaction histories. The online interface also includes reporting capability. Company must obtain or have the appropriate equipment and internet capabilities necessary to access the online interface, and Company must set software to the appropriate security settings. Company must obtain or have the appropriate firewalls, anti-spyware software, anti-viral software, network security, and environmental security to prevent unauthorized access to the online interface. Company must be aware of latest phishing, pharming or similar scams, and Company is solely responsible for any loss, liability or damage relating to such scams. Company is responsible for obtaining and maintaining Company's communications link to the online interface and to ensure that Company's use of such communications link is in compliance with applicable requirements, including any requirements of telecommunications companies and authorities.

Company will assign and maintain at least one Program Administrator in accordance with Huntington's security procedures. Huntington will add the Company Program Administrator(s) to online interface and Program Administrator will have all available rights for access to and use of the online interface. Use of the online interface is deemed to be acceptance of the terms and conditions of the Business Online Agreement. Program Administrator will have the ability to assign additional Administrative Users and also assign their rights to access and use the online interface as appropriate. Assignment of Administrative Users and their associated rights shall be at the sole discretion of the Program Administrator. Huntington will rely on Program Administrator for direction on Company desired changes and deletions of Administrative Users. If there is more than one Program Administrator, Huntington can take direction from any one of them. The designated Program Administrator's name and contact information are included as part of this Agreement and any change to the designated Program Administrator must be in writing on Company letterhead and signed by an individual who 1) executed this Agreement or 2) would currently be authorized to execute this Agreement if the individual(s) who originally executed this Agreement are no longer employed by the Company.

In addition to the online interface, Huntington will also provide live operator support for Program Administrators during normal business hours. Huntington will also provide a Cardholder servicing website and live operator support during extended business hours, including weekends.

Security Procedures

Company shall comply with all security procedures established by Huntington. Huntington may at any time change security procedures. Huntington may advise Company of such changes to the extent they affect Company's use of Business Online, but failure to do so will not impact Company's obligations or Huntington's rights. Company acknowledges that the purpose of such security procedures is for verification of authenticity and not to detect an error in a data entry and/or Card configuration. Huntington shall not be liable to Company for the failure of the security procedures to detect such errors. Company is responsible for establishing and maintaining safeguards against unauthorized access to the online interface and other Huntington systems; and agrees to take reasonable steps to maintain security procedures established by Huntington. Company agrees that any Huntington information, including, but not limited to any Card transaction information that is transmitted or exchanged between Company and Huntington via an Unsecured Electronic Network, such as the Internet, must, prior to the key-entry and through transmission of any Huntington information, (1) be encrypted using a commercially reasonable security technology that, at a minimum, is equivalent to 128-bit RC4 encryption technology, or (2) be transmitted via a secure session utilizing a commercially reasonable security technology that provides a level of security that, at a minimum, is equivalent to 128-bit RC4 encryption technology. Storage, transmittal or maintenance of any permanent record of complete Card numbers and other Card information is prohibited. Cardholders should be identified using name and employee number or other identifier. Card numbers should be masked when recorded.

Unauthorized Use

If the Company or any Authorized User believes that someone is using the Account or a Card without permission, Company must notify Huntington immediately by calling (855) 465-8106. Huntington will accept reports of unauthorized transaction activity from the Authorized Business Representative, Program Administrator or Cardholder on whose Card the unauthorized transactions appear. Unauthorized transactions must be reported within 60 days of receipt of statement on which they appear. Company agrees to cooperate with Huntington on any unauthorized Card use investigations, including filing police reports or completing Cardholder affidavits as necessary. Huntington reserves the right to immediately close any Account regardless of whether unauthorized activity has been reported by the Company or not.

Huntington is not liable for any misuse of a Card that has not been cancelled and unauthorized transaction activity does not relieve Company from the obligation of paying any outstanding Card balance created. MasterCard may provide at no cost to the Company a liability protection Program. Terms and conditions may apply.

Termination

Huntington reserves the right to terminate this Agreement at any time upon notice to Company, effective one hundred--twenty (120) days after Huntington sends Company notice. Notwithstanding the foregoing, in the event of fraud, suspected fraud, illegal or suspicious activity, suspected illegal or suspicious activity, regulatory compliance, administrative order, judicial order, or default under this Agreement, Huntington may terminate this Agreement, and/or revoke any or all Cards issued in connection with the Account, or any virtual Cards established under the Account, immediately without notice (or immediately with notice if legally required), but Huntington will use its best efforts to provide notice after termination if permitted by law. If Company wishes to terminate this Agreement, then Company must provide written notice to Huntington, which termination will be effective thirty (30) days after Huntington receives notice. No termination by either party shall relieve Company from responsibility for any charges to the Account after the date of any notice and before the effective date of such notice. In the event of any termination, any outstanding balance on the Account will be due and payable as of the effective date of the termination.

Financial Information

Company shall, upon Huntington's request, promptly provide Huntington with financial information and statements as Huntington determines to be reasonably necessary or appropriate to enable Huntington to review Company's financial condition. Huntington may also periodically review reports from third party reporting agencies regarding Company's financial condition.

Review Statements

Company is responsible for promptly reviewing and inspecting all reports, notices, periodic statements, adjustments, charges, entries, and other transactions available to it. Company agrees to notify Huntington of any errors or discrepancies within sixty (60) days after receipt of the same which contain such errors or discrepancies. Company agrees that Huntington will not be liable for any losses resulting from Company's failure to give Huntington such notice of errors or discrepancies.
