ARTICLE 1 – PREAMBLE

Section 1. This agreement is hereby entered into by and between the City of Medina, hereinafter referred to as the “City,” and the Ohio Patrolmen's Benevolent Association, hereinafter referred to as the “OPBA.”

ARTICLE 2 – RECOGNITION

Section 1. The City agrees that it has and will continue to recognize the OPBA as the exclusive representative for negotiating wages and salaries, hours of work, and all other terms and conditions of employment, for all Communications Operators (Dispatchers) on the Medina Police Department (after the first ninety [90] days of employment), including regular part-time employees, probationary employees, but excluding all sworn Police Officers and all other employees.

Section 2. The City will furnish the OPBA representative, to be designated by the OPBA in writing to the City, with a list of employees in the classifications covered by this Agreement indicating their starting date of employment. Such list will be furnished upon the execution of this Agreement and will be supplemented by the names of all new employees as hired and employees that leave the bargaining unit.

ARTICLE 3 - DUES DEDUCTION

Section 1. During the term of this Agreement, the City shall deduct initiation fees, assessments levied by the OPBA, and the regular monthly OPBA dues from the wages of those employees who have voluntarily signed dues deduction authorization forms permitting said deductions.

No new authorization forms will be required from any employees in the Medina Police Department for whom the City is currently deducting dues.

Section 2. The initiation fees, dues, or assessments so deducted shall be in the amounts established by the OPBA from time to time in accordance with its Constitution and Bylaws. The OPBA shall certify to the City the amounts due and owing from the employees involved.

Section 3. The City shall deduct dues initiation fees or assessments from the first pay in each calendar month. If an employee has no pay due on that pay date, such amounts shall be deducted from the next or subsequent pay.

Section 4. A check in the amount of the total dues withheld from those employees authorizing a dues deduction shall be tendered to the treasurer of the OPBA within thirty (30) days from the date of making said deductions.

Section 5. The OPBA hereby agrees to hold the City harmless from any and all liabilities or damages which may arise from the performance of its obligations under this Article and the OPBA shall indemnify the City for any such liabilities or damages that may arise.

ARTICLE 4 - FAIR SHARE FEE

Section 1. As a condition of continued employment:

- A. All non-probationary employees in the bargaining unit on the effective date of this Agreement shall:
 - 1. Maintain membership in the OPBA, or
 - 2. Become members of the OPBA, or
 - 3. Pay a fair share fee to OPBA in an amount equivalent to the monthly dues the OPBA requires to maintain membership
- B. Any probationary employee in the bargaining unit on the effective date of this Agreement shall, after serving his probationary period of employment, or sixty (60) days after beginning employment, whichever is less,
 - 1. Become a member of the OPBA; or
 - 2. Pay a fair-share fee to OPBA in an amount equivalent to the monthly dues the OPBA requires to maintain membership
- C. Any employee who becomes a member of the bargaining unit after the effective date of this Agreement shall, after serving his probationary period of employment, or sixty (60) days after beginning employment, whichever is less,
 - 1. Become a member of the OPBA; or
 - 2. Pay a fair-share fee to OPBA in an amount equivalent to the monthly dues the OPBA requires to maintain membership.

ARTICLE 5 – NO STRIKE

Section 1. Neither the OPBA nor any member of the bargaining unit shall directly or individually call, sanction, encourage, finance, participate, or assist in any way in any mass resignation, work stoppage or slow down, sympathy strike, or any other interference with the normal operations of the City. A breach of this provision shall be considered just cause for discipline, including discharge.

Section 2. The OPBA shall cooperate with the City in continuing operation in a normal manner and shall immediately order employees who are engaged in a violation of Section 1 of the Article to return to work. If the OPBA sanctions or encourages or fails to order employees to comply with Section 1 of this Article, the OPBA shall be liable to the City for all damages arising from the OPBA's failure to comply with the provisions of this Article.

Section 3. The City shall not lock out any employees.

ARTICLE 6 - ASSOCIATION REPRESENTATION

Section 1. The City will pay an association representative who is requested to attend a grievance hearing or grievance meeting during the representative's scheduled work hours.

ARTICLE 7 – DISCIPLINE

Section 1. A non-probationary employee who is suspended, demoted or discharged shall be given written notice regarding the reason(s) for the disciplinary action within a reasonable time after the City has knowledge of the conduct for which an employee is being disciplined. In the case of suspension or discharge, the employee shall be advised of the right to confer with a representative of the OPBA.

Section 2. Disciplinary action taken by the City shall only be for good cause.

Section 3. Demotions and discharges of a non-probationary employee may be appealed at Step 3 of the Grievance and Arbitration Procedure. Suspensions and written reprimands of a non-probationary employee may be appealed in accordance with the Grievance and Arbitration Procedure.

Section 4. Except for discipline due to workplace violence and workplace harassment (e.g. sexual, racial), records of disciplinary actions shall not be considered for progressive disciplinary action at the expiration of the periods outlined below, as long as the employee does not receive additional discipline during such time period.

Disciplinary Action

Time Period

Written warning or reprimand
Suspension or demotion

One (1) year
Two (2) years

If, after the expiration of any of these time periods set forth above, the employee is disciplined and uses work history as a defense in order to mitigate the discipline, then all of the employee's prior discipline may be brought forth as evidence of the employee's work record.

ARTICLE 8 - GRIEVANCE PROCEDURE

Section 1. Every employee shall have the right to present his grievance in accordance with the Procedure provided herein, and shall have the right to be represented by a Union representative and/or a Union attorney at all stages of the grievance procedure. It is the intent and purpose of the parties to this Agreement that all grievances shall be settled, if possible, at the lowest step of this procedure; however, grievances involving demotions or termination shall be filed directly to Step 3 below.

Section 2. For the purpose of this procedure, the below listed terms are defined as follows:

- A. Grievance - A "grievance" shall be defined as a dispute or controversy arising from the misapplication or misinterpretation of the specific and express written provisions of this Agreement.
- B. Grievant – the “Grievant” shall be defined as the employee within the bargaining unit filing the grievance.
- C. Days – A “day” as used in this procedure shall mean the scheduled working day(s) of the party who is required to act.
- D. Party-in-Interest – A “party-in-interest” shall be defined as an employee of the City named in the grievance who is not the grievant.

Section 3. The following procedures shall apply to the administration of all grievances filed under this procedure.

- A. Except at Step 1, all grievances shall include the name and position of the grievant, the identity of the provisions of this Agreement involved in the grievance, the time and place where the alleged events or conditions giving rise to the grievance took place, the identity of the party responsible for causing the said grievance, if known to the grievant, and a general statement of the nature of the grievance and the redress sought by the grievant.
- B. Except at Step 1, all decisions shall be tendered in writing at each step of the grievance procedure. Each decision shall be transmitted to the grievant and his representative, if any.
- C. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration and having said matter informally adjusted without the intervention of the OPBA, provided that the adjustment is not inconsistent with the terms of this Agreement. In the event that the grievance is adjusted without formal determination, pursuant to this procedure, while such adjustment shall be binding upon the grievant and shall, in all aspects, be final, said adjustment shall not create a precedent or ruling binding upon the City in future proceedings.

- D. The grievant may choose whomever he wishes to represent him at any step of the grievance procedure.
- E. The time limits provided herein will be strictly adhered to and any grievance not filed initially or appealed within the specific time limits will be deemed waived and void. If the City fails to reply within the specified time limit, the grievance shall automatically move to the next step. The time limits specified for either party may be extended only by written mutual agreement.
- F. This procedure shall not be used for the purposes of adding to, subtracting from or altering in any way, any of the provisions of this agreement.

Section 4. All grievances shall be administered in accordance with the following steps of the grievance procedure and a copy of all grievances shall be filed with the City Law Director at each step.

STEP 1. Any employee who believes he may have a grievance should first discuss it with his supervisor and attempt to settle the matter without involving this grievance procedure.

STEP 2. If the dispute is not resolved informally at Step 1, it shall be reduced to writing by the grievant and presented as a grievance to the Chief of Police within ten (10) days of the occurrence of the event giving rise to the grievance, or within ten (10) days after the grievant obtains knowledge of the facts which are the subject of his or her grievance. The Chief of Police shall provide a written answer within ten (10) days of receiving the grievance.

STEP 3. If the grievant is not satisfied with the written decision at the conclusion of Step 2, or for original appeals of demotions or terminations, a written appeal of the decision may be filed with the Director of Public Safety within five (5) days from the date the rendering of the decision at Step 2 or the issuance of the Notice of discipline. Copies of the written decisions shall be submitted with the appeal. The Director or his designee shall convene a hearing within ten (10) days of the receipt of the appeal. The Director or his designee shall issue a written decision to the employee and the Union representative within ten (10) days from the date of the hearing.

STEP 4. In the event a grievance is unresolved after being processed through all steps of the Grievance Procedure, unless mutually waived, then within fifteen (15) days after the rendering of the decision at Step 3, the Union may submit the grievance to arbitration. Within the fifteen (15) day period, the moving party shall request the American Arbitration Association to submit a panel of seven (7) arbitrators. The parties will choose one arbitrator by the alternative strike method.

Section 5. The arbitrator shall have no power or authority to add to, subtract from, or in any manner, alter the specific terms of this Agreement or to make any award requiring the commission of any act prohibited by law, or to make any award that itself is contrary to law or violates any of the terms and conditions of this Agreement. The arbitrator shall determine only whether there has been a violation of this Agreement within the allegations set forth in the grievance.

Section 6. The hearing or hearings shall be conducted pursuant to the "Rules of Voluntary Arbitration" of the American Arbitration Association.

Section 7. The fees and expenses of the arbitrator and the cost of the hearing room, if any, will be borne by the party losing the grievance. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred by the other party.

Section 8. An employee requested to appear at the arbitration hearing by either party shall attend without the necessity of subpoena and shall not suffer a loss of pay if his/her attendance occurs during scheduled work hours. Any request made by either party for the attendance of witnesses shall be made in good faith, and at no time shall the number of employees in attendance exceed five (5) employees.

Section 9. The question of arbitrability of a grievance may be raised by either party before the arbitration hearing of the grievance, on the ground that the matter is non-arbitrable or beyond the arbitrator's jurisdiction. The first question to be placed before the arbitrator will be whether or not the alleged grievance is arbitrable. The grievance will be heard on its merits before the same arbitrator in the same hearing. If the arbitrator determines the grievance is not within the purview of arbitrability, the arbitrator shall not rule on the merits of the grievance.

Section 10. The arbitrator's decision and award will be in writing and delivered within thirty (30) days from the date the record is closed. The decision of the arbitrator shall be final and binding upon the parties.

Section 11. The grievance procedure set forth herein shall be the exclusive method of reviewing and settling grievances between a bargaining unit member and the City.

ARTICLE 9 – SENIORITY

Section 1. All new employees shall be considered probationary employees for a period of one (1) year, beginning from the first day of reporting to work.

Section 2. A probationary employee may be dismissed during the probationary period at the sole discretion of the City. Such dismissal is not subject to appeal through the grievance procedure or to the Civil Service Commission.

Section 3. Seniority shall be defined as the length of continuous service as a regular full or part-time employee in the classification which he is currently serving. A probationary employee shall not begin to accrue seniority until he has completed the first ninety (90) days of employment. At such time, a full-time employee will be credited with the seniority retroactive to his date of hire and shall continue to accrue seniority in accordance with his full-time status.

Section 4. For part-time employees, the amount of seniority shall be calculated by prorating the amount of hours worked with the amount of regularly scheduled hours in a standard work year (i.e., Part time employee worked 1040 hours the previous year, seniority is accrued is .5 years). After completion of the first ninety (90) days of employment, part-time employee shall be credited with seniority retroactive to his date of hire, but in accordance with his part-time employment status.

Section 5. An employee's seniority shall be terminated for any of the following reasons:

- A. Resignation
- B. Discharge for Just Cause
- C. Layoff for a period exceeding one (1) years
- D. Retirement
- E. Refusal or failure to report within ten (10) days from the date of mailing of a recall notice by certified mail to the employee's last official address as shown on the City's records.

Section 6. It is the specific intent of the parties to utilize seniority as defined herein to determine the order of layoff, displacement rights, and recall pursuant to the Civil Service Rules of the City of Medina. The parties specifically agree that retention points, including the use of performance evaluations as a factor, shall no longer be used to determine order of layoff, displacement rights and recall rights. For this reason, the parties agreed that Civil Service Rules IX, subsection (C) and Ohio Revised Code Section 124.325, and Ohio Administrative Code Sections 123:1-41-08, 123:1-41-09 are specifically preempted by this agreement for the purpose of calculating seniority. For other purpose not specifically addressed herein, the Medina Civil Service Rules and the Ohio Revised Code shall apply according to law.

ARTICLE 10 – NON-DISCRIMINATION

Section 1. The City and the OPBA agree not to discriminate against any employee(s) on the basis of race, religion, color, creed, national origin, age, sex or handicap.

Section 2. The OPBA expressly agrees that membership in the OPBA is at the option of the employee and that it will not discriminate with respect to representation between the members and non-members.

ARTICLE 11 – GENDER

Section 1. Whenever the context so requires, the use of the words herein, whether in the masculine, feminine, or neutral genders shall be construed to include all of said genders. By the use of either the masculine or feminine genders it is understood that said use is for convenience purposes only and is not to be interpreted to be discriminatory by reason of sex.

ARTICLE 12 – HEADINGS

Section 1. It is understood and agreed that the use of headings before Articles is for convenience only and that no headings shall be used in the interpretation of said articles nor affect any interpretation of any such Article.

ARTICLE 13 – OBLIGATION TO NEGOTIATE

Section 1. The City and the OPBA acknowledge that during the negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Section 2. Therefore, for the life of this Agreement, the City and the OPBA each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to negotiate collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement.

ARTICLE 14 – CONFORMITY TO LAW

Section 1. This Agreement shall be subject to and subordinated to any present and future Federal and State laws, along with any applicable Rules and Regulations, and the invalidity of any provisions of this Agreement by reason of any such existing or future law or rule or regulation shall not affect the validity of the surviving portions.

Section 2. If the enactment of legislation, or a determination by a court of final and competent jurisdiction (whether in a proceeding between the parties or in one not between the parties) renders any portion of this Agreement invalid or unenforceable, such legislation or decision shall not affect the validity of the surviving portions of this Agreement, which shall remain in full force and effect as if such invalid portion thereof had not been included herein.

ARTICLE 15 – DUTY HOURS

Section 1. The regular workweek for all employees of the City covered by this Agreement will be forty (40) hours.

ARTICLE 16 – OVERTIME PAY AND COURT-TIME

Section 1. All employees, for work performed or compensated in excess of forty (40) hours per week except sick days per Article 19 and for all hours worked or compensated in excess of the regular weekly forty (40) hours scheduled except sick days per Article 19, shall be compensated at the rate of time and one-half.

Section 2. All time worked when called back after normal daily working hours or on a regular day off, including holidays, shall be compensated at the rate of one and one-half times his regular rate of pay, or the employee may elect to receive compensatory time, pursuant to Section 3.

Section 3. If any employee elects to take compensatory time off in lieu of overtime pay for any overtime worked, such compensatory time may be granted by his department head, on an equivalent time basis, at a time mutually convenient to the employee and the department head, except that such accumulated compensatory time earned shall at no time exceed one hundred sixty (160) hours. Each hour of overtime worked shall be compensated by one and one-half (1 ½) hours of compensatory time, if so elected by the employee.

Once each calendar year during the term of this Agreement each employee shall be permitted to cash in up to thirty five percent (35%) of his accumulated compensatory time at his current regular rate of pay, provided the City may, in its sole discretion, permit an employee to cash in a greater percentage of the accumulated compensatory time. Any hours accumulated in excess of one hundred (100) hours shall be paid to the employee at the end of each calendar year.

Section 4. When the basic work day includes a shift premium, the premium will be considered part of the regular rate of pay for the purposes of figuring overtime.

Section 5. Every employee called back after normal daily working hours or on a regular day off including holidays for a court appearance shall be paid a minimum of three (3) hours at a rate of one and one-half (1 ½) times the regular rate of pay, provided the employee is not notified by 7:00 p.m. the day before the court appearance that the court appearance has been cancelled. If the employee is called back to work for more than one (1) court appearance in the same day, he shall be paid a minimum of three (3) hours for the first appearance and the actual time worked for the second appearance; unless there is three (3) hours or more between appearances, in which case the employee shall be paid a minimum of three (3) hours for each appearance.

ARTICLE 17 – HOLIDAYS

Section 1. All full-time employees shall receive the following paid holidays, provided the employee works their regularly scheduled shift before the holiday, the day of the holiday if scheduled on the holiday, and their regularly scheduled shift after such holiday, or is scheduled off the shift before and/or on the holiday and/or the shift after the holiday due to vacation, use of compensatory time, training day, stress day, or is on sick time due to a work-related injury:

Section 3. All full-time or regular employees shall receive pay for any legal holiday established by the City, and in the case of the shift employee, the holiday if it is his regularly scheduled work day, according to the following provisions:

Except as provided in Section 4 hereof, an employee whose regular work schedule does not permit a day off for a holiday shall receive his regular pay, and, in addition, holiday pay not to exceed eight (8) hours for each such holiday.

Section 4. New Year's Day, Easter, Independence Day, Labor Day, Thanksgiving and Christmas are hereby designated as premium holidays. An employee who works a shift the majority of which actually falls on the premium holiday shall be paid at one and one-half times his regular rate of pay for that shift, and in addition, holiday pay not to exceed eight (8) hours. For the purposes of this Article, "majority" shall mean one-half of the scheduled hours or more.

Section 5. All part-time employees shall be paid holiday pay only for those holidays actually worked. Working the holiday means the employee works a shift the majority of which falls on the actual holiday. Additionally, part-time employees will also be paid the premium holidays, as referred to in Article 17, Section 4, if the employee works a shift the majority of which falls on the premium holiday.

ARTICLE 18 – VACATIONS

- A. An employee with less than five (5) years of service shall earn vacation with pay at the rate of 3.1 hours per pay period with a maximum earning of two (2) basic work weeks, and may carry over a maximum of 160 hours of earned vacation. Employees shall not be able to take vacation until completion of one (1) year of service.
- B. An employee with five (5) years, but less than eleven (11) years of service, shall earn vacation with pay at the rate of 4.6 hours per pay period with a maximum earning of three (3) basic work weeks, and may carry over a maximum of 240 hours of earned vacation.
- C. An employee with eleven (11) years, but less than twenty (20) years of service, shall earn vacation with pay at the rate of 6.2 hours per pay period with a maximum earning of four (4) basic work weeks, and may carry over a maximum of 320 hours of earned vacation.
- D. An employee with twenty (20) years or more of service shall earn vacation with pay at the rate of 7.7 hours per pay period with a maximum earning of five (5) basic work weeks, and may carry over a maximum of 400 hours of earned vacation.
- E. Employees will not be permitted to carry over vacation into the succeeding calendar year beyond the carryover limits set forth above in this section, in paragraphs A-D.
- F. Credited Service. For all employees hired after January 1, 1992 only service as a full-time employee of the City of Medina will be credited for purposes of vacation eligibility.
- G. For employees on a leave of absence, lay-off or a period of termination service time will not be accumulated during such leave of absence, lay-off, or period of employment termination.

Section 2. General practices and definitions.

- A. Employees will not be permitted to work for the City during their vacation periods and receive additional compensation; except an employee who has already taken off work for at least three (3) weeks of vacation in a calendar year may be compensated for additional accumulated and unused vacation if the Chief is unable to schedule the employee off prior to the end of the year and the vacation would be forfeited.

ARTICLE 19 – SICK LEAVE

Section 1. Each full-time employee shall accumulate sick leave at the rate of 4.6 hours for each eighty (80) hours of service in active pay status, including paid vacation and approved sick leave, but not during a leave of absence, lay-off or other period in inactive pay status.

Employees may use sick leave, upon approval of the responsible administrative officer of the employing unit, for absence due to illness, injury, exposure to contagious disease which could be communicated to other employees, and to illness or death in the employees' immediate family. The previously accumulated sick leave of an employee who has been separated from the City's service may be placed to his credit upon his re-employment in the City's service providing that such re-employment takes place within ten (10) years of the date on which the employee was last terminated from public service.

Section 2. An employee shall be permitted to convert two (2) days (either ten (10) or eight (8) hours, depending on the employee's regular work day) of sick leave to two (2) days (either ten (10) or eight (8) hours) of additional stress time for each six (6) month period during which the employee does not utilize sick leave. Six month periods shall be defined as January 1 through June 30 and July 1 through December 31. The usage of stress time shall not be considered the usage of sick leave. The stress days under this Article must be utilized within six months of when they are earned, and shall only be taken with advance approval of the Chief except where the day is used in an emergency situation.

Section 3. In addition to Section 1 above, each City employee shall be entitled to sick leave of thirty (30) days annually with pay, upon approval of the responsible administrative officer of the employing unit, for absence due to injury or occupational disease, where such injury has occurred or occupational disease has been contracted in the course of employment with the City of Medina, provided the same were not purposely self-inflicted. Unused sick leave under this section shall not be cumulative. The responsible administrative officer of the employing unit may require the employee to furnish a satisfactory affidavit that this absence was caused by injury or illness while working, on the job for the City.

Section 4. A city employee may elect, at the time of retirement from active service and with ten (10) or more years of service with the City, to be paid in cash for 37.5% of the value of his accrued but unused sick leave credit. Such payment shall be based on the employee's rate of pay at the time of retirement. Payment for sick leave on this basis shall be considered to eliminate all sick leave credit accrued by the employee at the time. Such payment shall be made only once to any employee. The maximum payment which may be made under this section shall be for four hundred (400) hours.

ARTICLE 20 – STRESS DAYS

Section 1. All non-probationary employees shall, in addition to all other leave benefits, be granted two (2) stress days each year. Employees may earn an additional four (4) stress days pursuant to Article 19.

Section 2. The stress days shall only be taken with the advance approval of the Chief except where the day is used in an emergency situation.

Section 3. The stress days under this Article shall be charged against the employee's sick leave accumulation and must be used within the calendar year.

This article shall also apply, where appropriate (Sections 2, 4, 5, and 7), to employees questioned as a witness. This article shall not apply to communications or conversations intended to provide instructions, training or corrections of work performance or techniques.

Section 2. In the event an employee is to be questioned or interviewed concerning an allegation of misconduct, the employee shall be informed at the commencement of the investigation as to the general nature of the alleged misconduct (whether disciplinary or criminal) and of the factual allegations against the employee known at that time. If an employee to be questioned is, at the time of questioning, a witness and not under investigation, he shall be so advised of such status.

Section 6. All complaints by citizens, which may result in suspension, reduction, or discharge of a bargaining unit employee, shall be in writing and signed by the complainant. An employee subject to investigation shall, upon request, be advised at reasonable intervals either that the matter is still under investigation or that the investigation has been concluded, and shall be advised of the conclusion and finding of such investigation. All items in an employee's personnel file with regard to complaints and investigations will be clearly marked with respect to final disposition.

This is only a summary. If you want more detail about your coverage and costs, you can get the complete terms in the policy or plan document at welcometouhc.com or by calling 1-800-377-5154.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	Network: \$500 Individual / \$1,000 Family Non-Network: \$1,000 Individual / \$2,000 Family Per calendar year. Copays, prescription drugs, and services listed below as "No Charge" do not apply to the deductible.	You must pay all the costs up to the deductible amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the deductible starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the deductible.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
Is there an out-of-pocket limit on my expenses?	Network: \$1,000 Individual / \$2,000 Family Non-Network: \$3,000 Individual / \$6,000 Family	The out-of-pocket limit is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the out-of-pocket limit?	Premium, balance-billed charges, health care this plan doesn't cover, and penalties for failure to obtain pre-authorization for services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Is there an overall annual limit on what the plan pays?	No.	The chart starting on page 2 describes any limits on what the plan will pay for specific covered services, such as office visits.
Does this plan use a network of providers?	Yes. For a list of network providers, see myuhc.com or call 1-800-377-5154.	If you use an in-network doctor or other health care provider, this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network provider for some services. Plans use the term in-network, preferred, or participating for providers in their network. See the chart starting on page 2 for how this plan pays different kinds of providers.
Do I need a referral to see a specialist?	No.	You can see the specialist you choose without permission from this plan.
Are there services this plan doesn't cover?	Yes.	Some of the services this plan doesn't cover are listed on page 5. See your policy or plan document for additional information about excluded services.

Choice Plus Plan AG3X / 0H9

Coverage Period: 01/01/2017 – 12/31/2017

Summary of Benefits and Coverage: What This Plan Covers & What it Costs Coverage for: Employee & Family Plan Type: PS1

- Copayments are fixed dollar amounts (for example, \$15) you pay for covered health care, usually when you receive the service.
- Coinsurance is *your* share of the costs of a covered service, calculated as a percent of the allowed amount for the service. For example, if the plan's allowed amount for an overnight hospital stay is \$1,000, your coinsurance payment of 20% would be \$200. This may change if you haven't met your deductible.
- The amount the plan pays for covered services is based on the allowed amount. If a non-network provider charges more than the allowed amount, you may have to pay the difference. For example, if a non-network hospital charges \$1,500 for an overnight stay and the allowed amount is \$1,000, you may have to pay the \$500 difference. (This is called balance billing.)
- This plan may encourage you to use network providers by charging you lower deductibles, copayments and coinsurance amounts.

Other limitations on your rights to continue coverage may also apply.

For more information on your rights to continue coverage, contact the plan at 1-866-747-1019. About these Coverage Examples:

These examples show how this plan might cover medical care in given situations. Use these examples to see, in general, how much financial protection a sample patient might get if they are covered under different plans.

This is not a cost estimator.

Don't use these examples to estimate your actual costs under this plan. The actual care you receive will be different from these examples, and the cost of that care will also be different.

Questions and answers about Coverage Examples:

<p>What are some of the assumptions behind the Coverage Examples?</p> <ul style="list-style-type: none"> Costs don't include <u>premiums</u>. Sample care costs are based on national averages supplied to the U.S. Department of Health and Human Services, and aren't specific to a particular geographic area or health plan. The patient's condition was not an excluded or preexisting condition. All services and treatments started and ended in the same coverage period. There are no other medical expenses for any member covered under this plan. Out-of-pocket expenses are based only on treating the condition in the example. The patient received all care from in-network <u>providers</u>. If the patient had received care from out-of-network <u>providers</u>, costs would have been higher. If other than individual coverage, the Patient Pays amount may be more. 	<p>What does a Coverage Example show?</p> <p>For each treatment situation, the Coverage Example helps you see how <u>deductibles</u>, <u>copayments</u>, and <u>coinsurance</u> can add up. It also helps you see what expenses might be left up to you to pay because the service or treatment isn't covered or payment is limited.</p> <p>Does the Coverage Example predict my own care needs?</p> <p>✗ No. Treatments shown are just examples. The care you would receive for this condition could be different based on your doctor's advice, your age, how serious your condition is, and many other factors.</p> <p>Does the Coverage Example predict my future expenses?</p> <p>✗ No. Coverage Examples are <u>not</u> cost estimators. You can't use the examples to estimate costs for an actual condition. They are for comparative purposes only. Your own costs will be different depending on the care you receive, the prices your <u>providers</u> charge, and the reimbursement your health plan allows.</p>	<p>Can I use Coverage Examples to compare plans?</p> <p>✓ Yes. When you look at the Summary of Benefits and Coverage for other plans, you'll find the same Coverage Examples. When you compare plans, check the "Patient Pays" box in each example. The smaller that number, the more coverage the plan provides.</p> <p>Are there other costs I should consider when comparing plans?</p> <p>✓ Yes. An important cost is the <u>premium</u> you pay. Generally, the lower your <u>premium</u>, the more you'll pay in out-of-pocket costs, such as <u>copayments</u>, <u>deductibles</u>, and <u>coinsurance</u>. You should also consider contributions to accounts such as health savings accounts (HSAs), flexible spending arrangements (FSAs) or health reimbursement accounts (HRAs) that help you pay out-of-pocket expenses.</p>

THE CITY OF MEDINA WELLNESS PROGRAM

To be eligible for the reduced premium contributions for 2018, 2019 and 2020 the employee must:

1. Complete an annual Health Risk Analysis by August 31, 2017; August 31, 2018 and August 31, 2019 to be administered by the wellness provider. The Health Risk Analysis is comprised of:
 - a. A Health Risk Questionnaire, including height, weight, body mass index (BMI), waist circumference.
 - b. Biometric screening in the form of a blood draw that will measure:
 - i. Total Cholesterol
 - ii. High-density lipoprotein (HDL)
 - iii. Glucose
 - iv. Low-density lipoprotein (LDL)
 - v. Triglycerides
 - vi. Blood pressure
2. Maintain an active account with a wellness provider designated by the City.
 - a. Employees will need to log onto the website a minimum of 10 days per month and enter one or more entries each of those days. A minimum total of 10 days per month or 120 days per 12 months of logged entries must be entered in the following time frames: 09/01/2016-08/31/2017, 09/01/17-08/31/2018; 09/01/2018-08/31/2019.
 - b. This total will be gathered on an average, so if the employee misses logging on a specific month, although they will not be able to back log/back enter into a previous month once it has ended, they will be able to add additional entries in the current/future months to maintain their acceptable average. One activity per day, each month is the maximum credit they can earn towards the 120 annual amount.
3. Employee must attend or participate in three (3) Educational Activities during the following time frames: 09/01/2016-08/31/2017; 09/01/2017-08/31/2018, 09/01/2018-08/31/2019 – these can be a combination of any activities offered (need proof of participation).

Wellness program requirements may be subject to change based on the Healthcare Committee recommendations.

The parties agree, in concept, to the introduction of an outcomes-based component to the Wellness Program in 2018 for application to the 2019 rates. The parties agree to discuss the introduction of the outcomes-based component in the 2017 and 2018 Healthcare Committee meetings.

Wellness program design complies with Federal regulations. Program design may change as new regulations and / or clarifications are issued.

MEMORANDUM OF UNDERSTANDING
Between the
CITY OF MEDINA
AND
OHIO PATROLMEN'S BENEVOLENT ASSOCIATION
(DISPATCHERS)

SCHEDULING

The City of Medina ("the City") agrees that when its number of full-time dispatchers employed reaches nine (9), within thirty (30) days thereafter, it will implement a 10-hour shift schedule. The City will agree to maintain a 10-hour shift schedule for a 12-month period ("the 12-month period"). However, if the number of available dispatchers, due to separation from employment or due to an extended leave, causes the number of available personnel to drop below nine, the City reserves the right to modify the regular shift schedule of its dispatchers per the terms of the parties' collective bargaining agreement ("the CBA") until the number of available dispatchers is reestablished at nine or more during the 12-month period.

The City otherwise reserves the right to modify the regular shift schedules of its dispatchers per the terms of the CBA upon conclusion of the 12-month period, with thirty (30) calendar days advance notice to the Union. If the City maintains the 10-hour regularly-scheduled shifts beyond the 12-month period, it reserves the right to modify those shifts at any time per the terms of the CBA. However, the City agrees that it will provide fourteen (14) days advance notice of and change of the regularly-scheduled shifts of the dispatchers, and also agrees to post the monthly schedules ten (10) calendar days prior to the first day of the month.

The City may avoid adherence to these notice provisions in the event of unforeseen employment separations or leaves of absence, and such does not impede any rights the City has to adjust individual schedules due to absences (sick leave, vacation) from work.
