Employment Opportunity with Feeding Medina County

At Feeding Medina County (FMC), they believe that no one should endure hunger because of their circumstances. FMC is looking for a passionate, organized, and people-centered Volunteer Coordinator to join their team. This position plays a key role in mobilizing community support, managing volunteer programs, and ensuring that they deliver food and hope to those who need it most. If you're driven by purpose, thrive in a mission-focused environment, and want to help make hunger a thing of the past in our county, Feeding Medina County would love to meet you. The Volunteer Coordinator works in a fast-paced and dynamic environment, managing over 400 + volunteers at their warehouse and direct distribution sites. This is a part-time position, (20 hours/week.) Recruiting and placing volunteers is critical to Feeding Medina County's mission to nourish those who are in need. Employment Opportunities with Fire-Dex

Did you know you can make a positive impact on firefighter health and safety from right here in Medina? Fire-Dex, the fastest-growing manufacturer of PPE for first responders, is looking to add 1st and 2nd Shift Production Associates to their team at 780 S. Progress Drive. As a key member of their production team, you will be trained to operate industrial sewing machines while standing, working collaboratively to ensure both speed and precision. Your role will involve stitching together components of fire protection with care and accuracy, helping to deliver safe, effective gear to those who protect our communities. You do not need to know how to sew to join their production team. If you are hard working with a positive attitude, have good hand and eye coordination, the ability to multi-task, and are detail oriented, Fire-Dex can train you to operate their industrial sewing equipment and produce PPE!
