Employment Opportunities with Armstrong

ARMSTRONG®

Armstrong is a 3rd generation, family-owned and operated company that started providing service to Medina in 1980. Today, Armstrong provides high-speed fiber internet, video, and phone service to homes and businesses throughout Medina on its 10G fiber-optic network. Armstrong is currently seeking applicants to join their team in the following positions:

- Full Time Customer Service Representative - The successful candidate must have the ability to work independently and as part of a team, demonstrating the ability to work with patience and courtesy in difficult customer relation situations, and be able to communicate effectively while thinking quickly and logically to ensure expedient responses to customer inquiries.
- Plant Maintenance - Lineman 1 - As a Plant Maintenance Lineman at Armstrong, you will be a key part of their team, building and maintaining the essential infrastructure that keeps communities connected. From constructing aerial and underground lines to keeping equipment in top shape, you will help power Armstrong's high-speed, high-reliability network.
