The parties shall agree on an annual amount to be included in the budget that will be allocated from the fees generated and deposited in the reserve account. The reserve account shall not exceed \$200,000, unless otherwise agreed to be reduced or increased among the parties. Once the reserve account reaches a balance of \$200,000 the annual access fee shall be reduced equally between Kokosing, Osborne, Spray Products and the City of Medina; provided, the reserve account maintains a balance of \$200,000. Notwithstanding the above, the parties may agree to increase the reserve account for unanticipated capital repairs and replacements.
2. Kokosing, Osborne and Spray Products shall be liable for any shortfalls contained in the annual budget and not covered by the reserve account. The parties further agree that the level of maintenance on the rail assets serving the Kokosing, Osborne and Spray Products shall be that as is required by the ORDC grant-Federal Railroad Administration Class I standards.

The proposed budget shall be available to all parties upon request. Kokosing, Osborne and Spray Products shall have the right to comment on the proposed budget prior to December 15 of each year. If a budget cannot be agreed upon among the parties, the previous year's budget shall be the budget for the succeeding year until a new budget is agreed upon among the parties.

The City of Medina shall have the right to require a crossing to be renovated or replaced; provided that the City of Medina contributes fifty percent (50%) of the cost of said repair or renovation.

6. The City of Medina agrees that all funds collected from Kokosing, Osborne and Spray Products or other grants obtained by any party related to the rail assets shall only be used for the maintenance, repair and operation of the rail line and no other City of Medina purposes.
