Help Support Medina's Holiday Decorations

The City of Medina and Main Street Medina are working together on a long-term plan to enhance the holiday experience throughout Uptown Park and the Historic District. The plan will be implemented in phases over four to five years. At the end of each cycle, a new design will be developed so there is always a thoughtful plan guiding future holiday improvements.

To support this effort, Main Street Medina has launched the Medina Holiday District Sponsorship Program. Sponsors will have a visible connection to the display through Holiday Giving Trees. Top-tier sponsors will be represented by a Giving Tree, while other sponsorship levels will support the lights, garland, and ornaments used to decorate it. Signage near each tree will recognize the sponsors who contributed.

Anyone may support the project with a donation of \$5 or more. Sponsorship levels and recognition begin at \$250 and are open to businesses, organizations, families, and individuals. Additional Giving Trees will be created each year as new sponsors participate.
