Message From Mayor Shields Things to do in Medina.....

When I was a child growing up in Medina, the week leading up to the Medina County Fair was filled with excitement and anticipation. All these years later, I still look forward to Fair week. I can't wait to walk through the animal barns, hear the roar from the various grandstand events, and sip on my favorite 4-H milkshake. If you have a chance, find time to visit the fair from August 3-9, 2026. It is simple, enjoyable fun and a great Medina County tradition. Before the fair starts on Monday, join me for the last band concert of the season on Friday night in the uptown park. On Saturday, I will be back at the square for the ORMACO Jazz under the Stars event which will feature some exceptional music along with some student bucket drummers. I plan to first make a stop on Saturday night at A. I. Root Middle School for the Collin Cares Cures Cancer Glow with the Flow Twilight Run. So many wonderful events, all happening here in Medina!
